EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to motorboats; increasing the fees for issuing certain numbers and validation decals for motorboats; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law generally prohibits a person from operating or giving permission
2 to operate a motorboat on the waters of this State unless: (1) the motorboat is issued
3 an identifying number in accordance with chapter 488 of NRS or in accordance
4 with a federally approved numbering system of another state; (2) a certificate of
5 number is in effect for the motorboat; (3) the identifying number issued for the
6 motorboat is displayed on each side of the bow of the motorboat; and (4) a valid
7 certificate of ownership is issued to the owner of the motorboat. (NRS 488.065)
8 Under existing law, the fee for issuing a certificate of ownership for a motorboat is
9 \$20, and the fee for issuing an identifying number and an accompanying certificate
10 of number for a motorboat ranges from \$20 to \$100, depending upon the length of
11 the motorboat. The fee for the issuance of certain identifying numbers for
12 manufacturers or dealers of motorboats is \$20. Each year, an owner of a motorboat
13 may renew a certificate of number issued for the motorboat by purchasing a
14 validation decal. The fee for issuing a validation decal is equal to the amount of the
15 fee paid for the identifying number and is also based upon the length of the
16 motorboat. (NRS 488.075) This bill increases the fees for the issuance of
17 identifying numbers for motorboats, the issuance of duplicate validation decals and
18 the issuance of numbers to manufacturers and dealers of motorboats. Because the
19 fee for issuing a validation decal for a certificate of number for a motorboat is equal
20 to the fee paid for issuing the identification number for the motorboat, this bill also
21 increases the fees for issuing those validation decals.
