

CHAPTER NUMBER.....

AN ACT relating to local governmental planning; providing for the construction of additional bus turnouts at certain locations in certain counties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, the regional transportation commission in a county whose population is 400,000 or more (currently Clark County) was required to designate, on or before December 31, 2009, 10 bus stops at which a bus turnout—an area for loading and unloading passengers outside of the lanes of traffic—must be constructed by December 31, 2012. Such a bus turnout must be constructed on land owned by the State or a local government. The commission must fund the construction of the bus turnout. (NRS 278.02587)

Section 1 of this bill requires the regional transportation commission in a county whose population is 700,000 or more (currently Clark County) to designate, on or before December 31, 2011, 15 additional bus stops at which a bus turnout must be constructed by December 31, 2014. Such a bus turnout must be constructed on land owned by the State or a local government. The commission must fund the construction of the bus turnout. **Section 1** also requires the commission to establish a technical advisory committee to work cooperatively with utility companies and franchise holders who may be impacted by the construction of a bus turnout. **Section 2** of this bill requires the regional transportation commission in a county whose population is 700,000 or more to report to the Legislature on the designation and construction of bus turnouts before the 77th Session of the Legislature convenes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 278.02587 is hereby amended to read as follows:

278.02587 1. Not later than December 31, 2009:

(a) Except as otherwise provided in subsection ~~5~~ **7**, the commission shall designate 10 locations in the county that are owned by the State or by local governments and at which a bus turnout must be constructed pursuant to this section; and

(b) For each location designated pursuant to paragraph (a), the commission and the State or the local government that owns the location shall execute an interlocal or cooperative agreement that authorizes the construction of a bus turnout at the location.

2. For each location designated pursuant to subsection 1, the commission and the State or the local government that owns the

location shall ensure that a bus turnout is constructed not later than December 31, 2012.

3. *Not later than December 31, 2011:*

(a) Except as otherwise provided in subsection 7, the commission shall designate 15 locations in the county that are owned by the State or by local governments and at which a bus turnout must be constructed pursuant to this section; and

(b) For each location designated pursuant to paragraph (a), the commission and the State or the local government that owns the location shall execute an interlocal or cooperative agreement that authorizes the construction of a bus turnout at the location.

4. *For each location designated pursuant to subsection 3, the commission and the State or the local government that owns the location shall ensure that a bus turnout is constructed not later than December 31, 2014.*

5. The commission shall fund the construction of a bus turnout built pursuant to this section.

~~14.1~~ 6. When determining the locations to be designated pursuant to subsection 1 ~~H~~ or 3, the commission shall consider, without limitation:

(a) The amount of traffic congestion at the location during hours of peak traffic;

(b) The extent of improvements to the location that would need to be completed before the bus turnout could be constructed;

(c) The proximity of the location to an intersection;

(d) The frequency with which buses receive and discharge passengers at the location;

(e) The number of bus passengers regularly using the bus stop at the location;

(f) The general need for a bus turnout at the location; and

(g) Any obstacle that may prevent the completion of the construction of a bus turnout by the date set forth in subsection 2 ~~H~~ or 4, as applicable.

~~15.1~~ 7. The commission shall not designate more than three locations pursuant to subsection 1 or 3 that are owned by the State or by the same local government.

~~16.1~~ 8. *The commission shall establish a technical advisory committee which shall:*

(a) As soon as practicable after the locations have been designated pursuant to subsection 1 and before the development of construction plans for the bus turnouts, meet with all utility companies and franchise holders whose utilities or facilities may be impacted by a bus turnout constructed pursuant to that

subsection. Such meetings may include visits to the designated locations.

(b) Work in a cooperative manner with the affected utilities and franchise holders to minimize the total cost for the placement or relocation of the affected utility or facility.
