AN ACT relating to the recording of documents; revising provisions governing the recording of civil judgments; requiring the recording of letters testamentary and letters of administration; revising provisions governing the recording of letters of guardianship; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law provides that when a certified abstract or copy of a civil judgment
2 or decree is recorded in the office of the county recorder, it becomes a lien upon all
3 nonexempt real property which is owned by the judgment debtor in that county or
4 which the judgment debtor may afterward acquire. When a judgment creditor
5 records the civil judgment or decree, the judgment creditor must also record an
6 affidavit stating: (1) the name and address of the judgment debtor; (2) the judgment
7 debtor's driver's license number and the state issuing that license or the last 4
8 numbers of the judgment debtor's social security number; and (3) the judgment
9 debtor's date of birth. If any of this information is not known, the affidavit must
10 state that fact. (NRS 17.150)

11 **Section 1** of this bill revises the information which a judgment creditor must
12 include in the affidavit when the judgment creditor records a civil judgment or
13 decree. Under **section 1**, in addition to the name and address of the judgment debtor
14 and information concerning the driver's license, identification card or social
15 security number of the judgment debtor, the affidavit must include: (1) the
16 assessor's parcel number and the address of the judgment debtor's real property and
17 a statement that the judgment creditor has confirmed that the judgment debtor is the
18 legal owner of that real property; and (2) if the lien will include a manufactured
19 home or mobile home, the location and serial number of the manufactured home or
20 mobile home and a statement that the judgment creditor has confirmed that the
21 judgment debtor is the legal owner of the manufactured home or mobile home.
22 **Section 1** requires this information to be based on personal knowledge and removes
23 the provision which allows the affiant to state that this information is unknown.

24 Under existing law, a lien on real property created by the recording of a civil
25 judgment or decree continues for 6 years after the date the judgment or decree was
26 docketed. The judgment and the lien may be renewed by: (1) filing an affidavit with
27 the clerk of the court where the judgment is entered and docketed within 90 days
28 before the date on which the judgment expires; and (2) recording that affidavit in
29 the office of the county recorder within 3 days after the filing of the affidavit with
30 the court clerk. (NRS 17.214) **Section 2** of this bill adds the document number
31 of the recorded judgment to the information required to be included in the affidavit.

32 **Section 3** of this bill requires letters testamentary, letters of administration with
33 the will annexed, letters of special administration and letters of administration
34 which are issued to the administrator, executor or personal representative of the
35 estate of a decedent to be recorded in the office of the recorder of each county in
36 which real property of the estate is located.

37 Existing law requires a guardian of the estate of a ward to cause to be recorded,
38 in the official records of each county in which real property of the ward is located, a
39 court certified copy of the letters of guardianship. (NRS 159.087) **Section 4** of this
40 bill requires the guardian to attach to the recorded copy a cover sheet which
41 contains the guardian's name, address and telephone number and certain
42 information concerning the property of the ward.
