

Senate Bill No. 193—Senator Hardy

Joint Sponsors: Assemblymen Hardy and Stewart

CHAPTER.....

AN ACT relating to cosmetology; revising certain provisions governing schools of cosmetology; establishing the procedures for the licensure of certain persons who engage in the practice of hair braiding and persons who operate an establishment for hair braiding; revising provisions relating to the regulation of sanitary conditions; revising provisions relating to the licensure of various cosmetology professionals and cosmetological establishments; revising provisions relating to the surety bond requirements for a school of cosmetology; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Cosmetology to determine the qualifications of applicants for various licenses in cosmetology, requires the Board to license schools of cosmetology, and authorizes the Board to adopt regulations governing the sanitary conditions in cosmetological establishments, schools of cosmetology and in the practice of cosmetology. (NRS 644.090, 644.120)

Section 6.5 of this bill requires each school of cosmetology to: (1) obtain a surety bond in accordance with regulations adopted by the Board; or (2) provide for payment plans, including plans for periodic payments, in accordance with regulations adopted by the Board. The regulations regarding periodic payments must, as the Board determines appropriate, be modeled after certain federal regulations that provide payment periods for certain federal educational loans and grants.

Sections 7-9 of this bill establish a new license as a hair braider and set forth the requirements, including passing certain examinations, that must be met before the Board may issue such a license to a person. **Section 7** sets forth the requirements for obtaining such a license for persons who have not previously practiced hair braiding or who have practiced hair braiding in this State on certain relatives without accepting compensation. **Section 8** sets forth the requirements for persons who have practiced hair braiding in another state. **Section 9** sets forth the scope of the examinations that are required to obtain a license to practice hair braiding. **Section 24** of this bill provides an exemption from the licensure requirements for a person who, without accepting compensation, practices hair braiding on a person who is related within the sixth degree of consanguinity.

Section 10 of this bill establishes a new license for persons who wish to operate an establishment for hair braiding and sets forth the requirements that must be met before the Board may issue such a license. **Sections 11-16** of this bill set forth additional requirements governing an establishment for hair braiding, including, without limitation, requirements relating to the notice which must be provided to the Board concerning a change of ownership or location and requirements relating to the qualifications of the person who must supervise the operation of such an establishment.

Under existing law, the Board is also required to provide for the registration of any person who engages in the practice of threading, and is authorized to inspect any facility in which threading is conducted. (NRS 644.331) **Section 22** of this bill authorizes the Board to include the practice of threading and any facility in which it is conducted in its regulations regarding sanitary conditions. **Sections 26-31 and 35** of this bill add United States citizenship or the legal right to remain and work in the United States to the requirements for applicants seeking licensure by the Board.

Existing law requires that schools of cosmetology post with the Board a surety bond as part of licensure. (NRS 644.383) **Section 43** of this bill repeals that requirement.
