CHAPTER.....

AN ACT relating to education; establishing the Kenny C. Guinn Memorial Millennium Scholarship; providing for the establishment of criteria for the annual selection of a recipient of the Scholarship; requiring the Board of Trustees of the College Savings Plans of Nevada to review applications for and select the recipient of the Scholarship; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Governor Guinn Millennium Scholarship Program to provide financial assistance with educational expenses to qualified Nevada students who attend an eligible university, college or community college in Nevada. Millennium Scholarships are awarded from money in the Millennium Scholarship Trust Fund, which was created in the State Treasury as part of the Program. (NRS 396.911-396.938) Following the tragic death of Governor Guinn on July 22, 2010, a special memorial fund known as the Kenny C. Guinn Memorial Millennium Scholarship Fund was established to accept donations in memory of Governor Guinn. The money received from such donations is currently being kept in a special account in the Millennium Scholarship Trust Fund. This bill provides statutory authority for the account and authorizes the use of the money in the account to provide a Kenny C. Guinn Memorial Millennium Scholarship to one college senior each year who is receiving a Millennium Scholarship, is majoring in elementary education or secondary education and meets certain other criteria. The recipient of the Memorial Scholarship each year will be selected by the Board of Trustees of the College Savings Plans of Nevada created by NRS 353B.005. To the extent of available money in the account, the amount of the annual Memorial Scholarship must not exceed \$4,500 to pay the authorized educational expenses of the recipient for the school year which are not otherwise paid for by the Millennium Scholarship awarded to the recipient. A Memorial Scholarship must be used only for the payment of registration fees and laboratory fees and expenses, to purchase required

textbooks and course materials and for other costs related to the attendance of the recipient at an eligible institution.
