EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to public health; establishing provisions for the designation of certain hospitals as primary stroke centers; authorizing the State Board of Health to adopt regulations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 This bill establishes provisions for the Health Division of the Department of
2 Health and Human Services to acknowledge and prepare a list of hospitals that are
3 designated as primary stroke centers. This bill also authorizes the State Board of
4 Health to adopt regulations relating to such designations. This bill further provides
5 that a licensed hospital which is not designated as a primary stroke center may not
6 advertise that the hospital is a primary stroke center. This bill does not prohibit any
7 hospital from providing care to a victim of stroke, even if the hospital does not
8 receive such a designation.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
