AN ACT relating to education; requiring the board of trustees of each school district and the governing body of each charter school to adopt a policy governing the use of foods and beverages containing trans fats at public schools; setting forth an exception for foods provided through certain programs of the Federal Government; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law sets forth provisions relating to programs of nutrition and allows the board of trustees of each school district and the governing body of each charter school to operate or provide for the operation of programs of nutrition in the public schools under their jurisdiction. (NRS 387.070-387.105) This bill requires the board of trustees of a school district and the governing body of a charter school to adopt a policy which: (1) provides that no food or beverage containing trans fats may be purchased by the school district or charter school and provided to pupils; (2) provides that trans fats are not used in food preparation by the school district or charter school; and (3) includes guidelines for parents and guardians who wish to bring food and beverages to school for certain events. The policy adopted by the board of trustees of the school district or governing body of the charter school does not apply with respect to food made available pursuant to the federal School

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 387 of NRS is hereby amended by adding  
2 thereto a new section to read as follows:

3 *1. Except as otherwise provided in subsection 3, the board of  
4 trustees of each school district and the governing body of each  
5 charter school shall adopt a policy which:*

6 *(a) Provides that no food or beverage containing industrially  
7 produced trans fats may be purchased by the school district or the  
8 charter school and provided to pupils of the charter school or  
9 school district, as applicable;*

10 *(b) Provides that no industrially produced trans fats are used,  
11 caused to be used or allowed to be used in the preparation of any  
12 item of food by the school district or the charter school which is  
13 intended for pupils of the charter school or school district, as  
14 applicable; and*

15 *(c) Includes guidelines for parents and guardians and other  
16 persons who wish to bring food or beverages to a school for  
17 activities authorized by the school including, without limitation,  
18 back-to-school events and celebratory events.*

19 *2. Except as otherwise provided in subsection 3, the policy  
20 adopted pursuant to subsection 1 applies with respect to all food  
21 and beverages that are:*

22 *(a) Sold on school grounds during the regular school day or  
23 during an extended school day program or athletic event; and*

24 *(b) Served to pupils of a charter school or school district, as  
25 applicable, including, without limitation, food and beverages from  
26 any program of nutrition, school store, vending machine, school  
27 cafeteria and school food service establishment.*

28 *3. The policy adopted pursuant to subsection 1 does not apply  
29 with respect to food that is made available through:*

30 *(a) The School Breakfast Program, 42 U.S.C. §§ 1771 et seq.;  
31 or*

32 *(b) The National School Lunch Program, 42 U.S.C. §§ 1751 et  
33 seq.*

34 *4. For the purposes of this section, a food or beverage shall  
35 be deemed to contain industrially produced trans fat if one of the*
