EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to land use planning; removing certain tracts of local governmental and private land from the state definition of the Spring Mountains National Recreation Area; providing that such tracts may only be used for facilities and operations related to outdoor recreational activities; prohibiting a local government from authorizing certain types of development on such tracts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing state law defines the boundaries of the Spring Mountains National Recreation Area. (Section 7 of chapter 198, Statutes of Nevada 2009, pp. 735-36) Within the boundaries of the Spring Mountains National Recreation Area, local governments are restricted from exercising certain powers of land use and zoning. (NRS 244.154, 268.105, 269.617, 278.0239)

This bill removes four tracts of nonfederal land from the defined boundaries of the Spring Mountains National Recreation Area. This bill also provides that such tracts may only be used for facilities and operations related to outdoor recreational activities. Finally, this bill prohibits a local government from authorizing any of the following on such tracts: (1) certain types of transient lodging; (2) gas stations; (3) grocery stores; (4) restaurant franchises; and (5) residential development of more than 1 home per 2 acres.
