AN ACT relating to industrial insurance; revising the definition of “independent contractor”; revising provisions relating to the posting of a notice identifying an employer's industrial insurer; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law relating to unemployment compensation uses a set of factors  
2 commonly known as the “ABC Test” to determine whether services performed by a  
3 person for wages are deemed to be employment. (NRS 612.085) **Section 1** of this  
4 bill revises the term “independent contractor” for the purposes of industrial  
5 insurance to incorporate the “ABC Test.”

6 Existing law requires an employer to post a notice in a conspicuous place that  
7 identifies the employer's industrial insurer and provides certain information about  
8 the insurer. (NRS 616A.490) **Section 2** of this bill requires that such notice include  
9 the definitions of “employee” and “independent contractor” as used in the Nevada  
10 Industrial Insurance Act (chapters 616A-616D of NRS).
