

CHAPTER.....

AN ACT relating to counties; providing for the establishment of county programs for the issuance of marriage licenses by certain commercial wedding chapels; removing the prospective expiration of provisions allowing a county office to deviate from the required hours of operation under certain circumstances; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that before two people may be joined in marriage, they must obtain a marriage license from the county clerk of any county in the State. (NRS 122.040) **Section 8.5** of this bill requires the board of county commissioners in each county whose population is 100,000 or more but less than 700,000 (currently Washoe County) and in which a commercial wedding chapel has been in business for 5 years or more to: (1) ensure that an office where marriage licenses may be issued is open to the public for the purpose of issuing such licenses from 8 a.m. to 12 a.m. every day, including holidays; or (2) provide for the establishment of a program whereby a commercial wedding chapel that has been in business in the county for 5 years or more is authorized to issue marriage licenses during the hours when an office where marriage licenses may be issued is not open to the public. Additionally, **section 8.5** authorizes the board of county commissioners in each county whose population is less than 100,000 (currently all counties other than Clark County and Washoe County) and in which a commercial wedding chapel has been in business for 5 years or more to provide for the establishment of a program whereby such a commercial wedding chapel may issue marriage licenses during the hours when an office where marriage licenses may be issued is not open to the public. Any such program that a board of county commissioners is required or authorized to establish must authorize a commercial wedding chapel that has been in business in the county for 5 years or more to begin issuing marriage licenses upon filing a completed registration form with the county clerk, along with a performance bond in the amount of \$50,000.

Section 8.5 also requires a commercial wedding chapel to refer any application for a marriage license that includes the signature of a guardian for a minor applicant to the county clerk for review and issuance of the marriage license, and provides that the persons to whom a commercial wedding chapel issues a marriage license may only be joined in marriage in the county in which the marriage license is issued. **Section 8.5** further provides that a commercial wedding chapel that violates any provision relating to the issuance of marriage licenses is guilty of a misdemeanor.

Existing law also establishes the required hours of operation for county offices, including offices where marriage licenses may be issued. (NRS 122.061, 245.040, 252.050) However, for the period between March 11, 2010, and June 30, 2011, county offices are authorized under existing law to deviate from those required hours of operation if the board of county commissioners approves the plan for the deviation submitted by the office. (Chapter 9, Statutes of Nevada 2010, 26th Special Session, p. 50) **Section 9.7** of this bill makes the temporary authority to deviate from the required hours of operation permanent.

Section 12 of this act provides that the sections of this bill that provide for the establishment of county programs for the issuance of marriage licenses by certain commercial wedding chapels expire by limitation in 2 years.

(b) Provide for the establishment of a program whereby a commercial wedding chapel that has been in business in the county for 5 years or more is authorized to issue marriage licenses to qualified applicants during the hours when an office where marriage licenses may be issued pursuant to paragraph (a) is not open to the public.

Except as otherwise provided in subsection 4, a program established pursuant to subsection 1 or 2 must authorize each commercial wedding chapel that has been in business in the county for 5 years or more to begin issuing marriage licenses upon filing with the county clerk a completed registration form prescribed by the board of county commissioners, along with a performance bond in the amount of \$50,000. The performance

bond must be conditioned upon the faithful performance of all statutory duties related to the issuance of marriage licenses and compliance with the provisions of chapter 603A of NRS that ensure the security of personal information submitted by applicants for a marriage license.

(b) Collect from an applicant for a marriage license all fees required by law to be collected; and

(c) Remit all fees collected to the county clerk, in the manner required by the standard of practice adopted by the county clerk.

7. Such a commercial wedding chapel shall comply with the provisions of chapter 603A of NRS in the same manner as all other data collectors to ensure the security of all personal information submitted by applicants for a marriage license.

8. The persons to whom a commercial wedding chapel issues a marriage license may not be joined in marriage in any county other than the county in which the marriage license is issued.

9. A commercial wedding chapel that violates any provision of this section is guilty of a misdemeanor.

122.001 As used in this chapter, unless the context otherwise requires, the words and terms defined in NRS 122.002 and 122.006

Sec. 9.5. NRS 122.040 is hereby amended to read as follows:

122.040 1. ~~{Before}~~ *Except as otherwise provided in section 8.5 of this act, before* persons may be joined in marriage, a license must be obtained for that purpose from the county clerk of any county in the State. Except as otherwise provided in this subsection, the license must be issued at the county seat of that county. The board of county commissioners:

(a) In a county whose population is 400,000 or more:

(1) Shall designate one branch office of the county clerk at which marriage licenses may be issued and shall establish and maintain the designated branch office in an incorporated city whose population is 150,000 or more but less than 300,000; and

(2) May, in addition to the branch office described in subparagraph (1), at the request of the county clerk, designate not more than four branch offices of the county clerk at which marriage licenses may be issued, if the designated branch offices are located outside of the county seat.

(b) In a county whose population is less than 400,000 may, at the request of the county clerk, designate one branch office of the county clerk at which marriage licenses may be issued, if the designated branch office is established in a county office building which is located outside of the county seat.

2. Except as otherwise provided in this section, before issuing a marriage license, the county clerk shall require each applicant to provide proof of the applicant's name and age. The county clerk may accept as proof of the applicant's name and age an original or certified copy of any of the following:

3. Except as otherwise provided in subsection 4, the county clerk issuing the license shall require each applicant to answer under oath each of the questions contained in the form of license. The county clerk shall, except as otherwise provided in this subsection, require each applicant to include the applicant's social security number on the affidavit of application for the marriage license. If a person does not have a social security number, the person must state that fact. The county clerk shall not require any evidence to verify a social security number. If any of the information required is unknown to the person, the person must state that the answer is unknown. The county clerk shall not deny a license to an applicant who states that the applicant does not have a social security number or who states that any requested information concerning the applicant's parents is unknown.

4. Upon finding that extraordinary circumstances exist which result in only one applicant being able to appear before the county clerk, the county clerk may waive the requirements of subsection 3 with respect to the person who is unable to appear before the county clerk, or may refer the applicant to the district court. If the applicant is referred to the district court, the district court may waive the requirements of subsection 3 with respect to the person who is unable to appear before the county clerk. If the district court waives the requirements of subsection 3, the district court shall notify the county clerk in writing. If the county clerk or the district court waives the requirements of subsection 3, the county clerk shall require the applicant who is able to appear before the county clerk to:

(a) Answer under oath each of the questions contained in the form of license. The applicant shall answer any questions with reference to the other person named in the license.

(b) Include the applicant's social security number and the social security number of the other person named in the license on the affidavit of application for the marriage license. If either person

does not have a social security number, the person responding to the question must state that fact. The county clerk shall not require any evidence to verify a social security number.

➤ If any of the information required on the application is unknown to the person responding to the question, the person must state that the answer is unknown. The county clerk shall not deny a license to an applicant who states that the applicant does not have a social security number or who states that any requested information concerning the parents of either the person who is responding to the question or the person who is unable to appear is unknown.

5. If any of the persons intending to marry are under age and have not been previously married, and if the authorization of a district court is not required, the clerk shall issue the license if the consent of the parent or guardian is:

(a) Personally given before the clerk;

(b) Certified under the hand of the parent or guardian, attested by two witnesses, one of whom must appear before the clerk and make oath that the witness saw the parent or guardian subscribe his or her name to the annexed certificate, or heard him or her acknowledge it; or

(c) In writing, subscribed to and acknowledged before a person authorized by law to administer oaths. A facsimile of the acknowledged writing must be accepted if the original is not available.

6. If a parent giving consent to the marriage of a minor pursuant to subsection 5 has a last name different from that of the minor seeking to be married, the county clerk shall accept, as proof that the parent is the legal parent of the minor, a certified copy of the birth certificate of the minor which shows the parent's first and middle name and which matches the first and middle name of the parent on any document listed in subsection 2.

7. If the authorization of a district court is required, the county clerk shall issue the license if that authorization is given to the county clerk in writing.

8. All records pertaining to marriage licenses are public records and open to inspection pursuant to the provisions of NRS 239.010.
