AN ACT relating to motor vehicles; requiring that the additional funds generated by the special license plates for the support of the natural environment of the Mount Charleston area be administered and distributed by the Mount Charleston Town Advisory Board, or its successor, rather than by the Administrator of the Division of State Lands of the State Department of Conservation and Natural Resources; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law provides for the issuance of special license plates for the support  
2 of the natural environment of the Mount Charleston area, creates an account for  
3 those license plates, requires the Administrator of the Division of State Lands of the  
4 State Department of Conservation and Natural Resources to administer the account  
5 and allows the Administrator to provide grants from the account. (NRS 321.5959,  
6 482.37935) This bill: (1) eliminates the Account for License Plates for the Support  
7 of the Natural Environment of the Mount Charleston Area; (2) eliminates the  
8 involvement of the Administrator of the Division of State Lands; (3) requires that  
9 the additional funds generated by those special license plates be distributed directly,  
10 on a quarterly basis, to the Mount Charleston Town Advisory Board or its  
11 successor; and (4) requires the Board to use and grant the money so distributed to it  
12 only for the support of programs for the natural environment of the Mount  
13 Charleston area. Thus, this bill does not change the permissible uses of the

14 additional funds generated by the special license plates for the support of the  
15 natural environment of the Mount Charleston area. Rather, it simply changes the  
16 identity of the governmental entity entrusted to administer and distribute those  
17 funds.
