This section does not require the purpose so stated to be set forth in the detail in which the project approved by the commission pursuant to subsection 2 of NRS 373.140 is stated, or prevent the modification by the board *or commission, as the case may be,* of details as to the purpose stated in the ordinance authorizing the issuance of any bond or other security after its issuance, subject to approval by the commission of the project as so modified ~~H~~, *if such bond or other security is issued by the county and not the commission.*

8. *Notwithstanding any other provision of this chapter, no commission has authority to issue bonds or other securities pursuant to this chapter unless the commission has executed an interlocal agreement with the county relating to the issuance of bonds or other securities by the commission. Any such interlocal agreement must include an acknowledgment of the authority of the commission to issue bonds and other securities and contain provisions relating to the pledge of revenues for the repayment of the bonds or other securities, the lien priority of the pledge of revenues securing the bonds or other securities, and related matters.*

7 *a commission, the commission*, in addition to covenants and other
8 provisions authorized in the Local Government Securities Law,
9 contain covenants or other provisions as to the pledge of and the

11 county pursuant to the provisions of NRS 373.030, paragraph (d) of
12 subsection 1 of NRS 373.065 and paragraphs (d) to (m), inclusive,
13 of subsection 1 of NRS 373.066, excluding any tax proceeds to be
14 distributed directly under the provisions of NRS 373.150, or the

20 *issued by a commission, the commission*, determines in any
21 ordinance *or resolution* authorizing the issuance of any bonds or
22 other securities under this chapter that the proceeds of the taxes
23 levied and collected pursuant to the provisions of NRS 373.030,
24 paragraph (d) of subsection 1 of NRS 373.065 and paragraphs (d) to
25 (m), inclusive, of subsection 1 of NRS 373.066 are sufficient to pay

30 may additionally secure the payment of any bonds or other
31 securities issued pursuant to the ordinance *or resolution* under this
32 chapter by a pledge of and the creation of a lien upon not only the
33 proceeds of any fuel tax authorized at the time of the issuance of
34 such securities to be used for such payment in subsection 6 of NRS
35 373.131, but also the proceeds of any such tax thereafter authorized
36 to be used or pledged, or used and pledged, for the payment of such
37 securities, whether such tax be levied or collected by the county, the
38 State of Nevada, or otherwise, or be levied in at least an equivalent
39 value in lieu of any such tax existing at the time of the issuance of
40 such securities or be levied in supplementation thereof.

41 3. The pledges and liens authorized by subsections 1 and 2
42 extend to the proceeds of any tax collected for use by the county on
43 any fuel so long as any bonds or other securities issued under this
44 chapter remain outstanding and are not limited to any type or types
45 of fuel in use when the bonds or other securities are issued.

5 first calendar quarter that begins at least 120 days after the effective
6 date of the ordinance reducing the amount of tax imposed.

7 2. No such taxing ordinance may be repealed or amended or
8 otherwise directly or indirectly modified in such a manner as to

10 obligations incurred under this chapter, until all obligations, for
11 which revenues from the ordinance have been pledged or otherwise
12 made payable from such revenues pursuant to this chapter, have
13 been discharged in full, but the board may at any time dissolve the
14 regional transportation commission *as provided in NRS 373.120*

16 **Sec. 8.** NRS 377B.100 is hereby amended to read as follows:

17 377B.100 1. The board of county commissioners of any
18 county may by ordinance, but not as in a case of emergency, impose
19 a tax for infrastructure pursuant to this section and NRS 377B.110.

20 2. An ordinance enacted pursuant to this chapter may not
21 become effective before a question concerning the imposition of the
22 tax is approved by a two-thirds majority of the members of the
23 board of county commissioners. Any proposal to increase the rate of
24 the tax or change the previously approved uses for the proceeds of
25 the tax must be approved by a two-thirds majority of the members
26 of the board of county commissioners. The board of county
27 commissioners shall not change a previously approved use for the
28 proceeds of the tax to a use that is not authorized for that county
29 pursuant to NRS 377B.160.

30 3. An ordinance enacted pursuant to this section must ~~be~~
31 ~~—(a) Specify~~ *specify* the date on which the tax must first be
32 imposed or on which an increase in the rate of the tax becomes
33 effective, which must occur on the first day of the first month of the
34 next calendar quarter that is at least 120 days after the date on which
35 a two-thirds majority of the board of county commissioners
36 approved the question.

37 ~~[(b) In a county whose population is 400,000 or more, provide~~
38 ~~for the cessation of the tax not later than:~~

39 ~~—(1) The last day of the month in which the Department~~
40 ~~determines that the total sum collected since the tax was first~~
41 ~~imposed, exclusive of any penalties and interest, exceeds \$2.3~~
42 ~~billion; or~~

43 ~~—(2) June 30, 2025;~~

44 ~~—whichever occurs earlier.]~~

1 4. The board of county commissioners in a county whose
2 population is 400,000 or more and in which a water authority exists
3 shall review the necessity for the continued imposition of the tax
4 authorized pursuant to this chapter at least once every 10 years.

5 5. Before enacting an ordinance pursuant to this chapter, the
6 board of county commissioners shall hold a public hearing regarding
7 the imposition of a tax for infrastructure. In a county whose
8 population is 400,000 or more and in which a water authority exists,
9 the water authority shall also hold a public hearing regarding the tax
10 for infrastructure. Notice of the time and place of each hearing must
11 be:

12 (a) Published in a newspaper of general circulation in the county
13 at least once a week for the 2 consecutive weeks immediately
14 preceding the date of the hearing. Such notice must be a display
15 advertisement of not less than 3 inches by 5 inches.

16 (b) Posted at the building in which the meeting is to be held and
17 at not less than three other separate, prominent places within the
18 county at least 2 weeks before the date of the hearing.

19 6. Before enacting an ordinance pursuant to this chapter, the
20 board of county commissioners of a county whose population is less
21 than 400,000 or a county whose population is 400,000 or more and
22 in which no water authority exists, shall develop a plan for the
23 expenditure of the proceeds of a tax imposed pursuant to this
24 chapter for the purposes set forth in NRS 377B.160. The plan may
25 include a regional project for which two or more such counties have
26 entered into an interlocal agreement to expend jointly all or a
27 portion of the proceeds of a tax imposed in each county pursuant to
28 this chapter. Such a plan must include, without limitation, the date
29 on which the plan expires, a description of each proposed project,
30 the method of financing each project and the costs related to each
31 project. Before adopting a plan pursuant to this subsection, the
32 board of county commissioners of a county in which a regional
33 planning commission has been established pursuant to NRS
34 278.0262 shall transmit to the regional planning commission a list
35 of the proposed projects for which a tax for infrastructure may be
36 imposed. The regional planning commission shall hold a public
37 hearing at which it shall rank each project in relative priority. The
38 regional planning commission shall transmit its rankings to the
39 board of county commissioners. The recommendations of the
40 regional planning commission regarding the priority of the proposed
41 projects are not binding on the board of county commissioners. The
42 board of county commissioners shall hold at least one public hearing
43 on the plan. Notice of the time and place of the hearing must be
44 provided in the manner set forth in subsection 5. The plan must be
45 approved by the board of county commissioners at a public hearing.

* S B 4 3 2 *

1 Subject to the provisions of subsection 7, on or before the date on
2 which a plan expires, the board of county commissioners shall
3 determine whether a necessity exists for the continued imposition of
4 the tax. If the board determines that such a necessity does not exist,
5 the board shall repeal the ordinance that enacted the tax. If the board
6 of county commissioners determines that the tax must be continued
7 for a purpose set forth in NRS 377B.160, the board shall adopt, in
8 the manner prescribed in this subsection, a new plan for the
9 expenditure of the proceeds of the tax for such a purpose.

10 7. No ordinance imposing a tax which is enacted pursuant to
11 this chapter may be repealed or amended or otherwise directly or
12 indirectly modified in such a manner as to impair any outstanding
13 bonds or other obligations which are payable from or secured by a
14 pledge of a tax enacted pursuant to this chapter until those bonds or
15 other obligations have been discharged in full.

16 **Sec. 9.** NRS 377B.190 is hereby amended to read as follows:

17 377B.190 1. Money for the payment of the cost of one or
18 more projects for which the board of county commissioners has
19 imposed all or a portion of the tax authorized pursuant to this
20 chapter may be obtained by the issuance of bonds and other
21 securities as provided in this section, or, subject to any pledges,
22 liens and other contractual limitations made pursuant to this chapter,
23 may be obtained by direct distribution from the infrastructure fund,
24 or may be obtained both by the issuance of such securities and by
25 such direct distribution as determined by the board of county
26 commissioners or, in a county whose population is 400,000 or more
27 and in which a water authority exists, by the water authority.

28 2. The board of county commissioners of a county whose
29 population is less than 400,000 or of a county whose population is
30 400,000 or more and in which no water authority exists may, after
31 the enactment of an ordinance imposing a tax for infrastructure as
32 authorized by NRS 377B.100, from time to time issue bonds and
33 other securities, which are general or special obligations of the
34 county and which may be secured as to principal and interest by a
35 pledge authorized by this chapter of the receipts from the taxes
36 imposed by this chapter. The ordinance authorizing the issuance of
