*4. All money paid or given, directly or indirectly, for the rental of a facility or to obtain an agreement or permission to use the facility are use fees within the meaning of this section and must be paid to the Office to be deposited in the State General Fund for credit to the Office.*

*5. When the use of a facility is by a federal, state, county or municipal bureau, agency or department or by any of the Armed Forces of the United States or any of the reserve components thereof, or by any unit of the reserve officers training corps, the Adjutant General may require the execution of a contract or agreement for that use, upon such terms and conditions as he or she prescribes.*

412.092 The word "armory" as used in NRS 412.092 to 412.108, inclusive, *and section 1 of this act*, means any building, together with the grounds upon which it is situated, used for the storage and maintenance of military property or the training of troops, and in addition real property acquired or held in contemplation of such use.
