AN ACT relating to motor vehicles; revising provisions relating to the reporting of certain convictions for the violation of certain traffic laws; revising the penalties imposed for operating a commercial motor vehicle under certain circumstances; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing state law prohibits a person from driving a commercial motor vehicle on the highways of this State at any time while the person is subject to an out-of-service order. (NRS 483.924) **Section 4** of this bill expands the definition of the term “out-of-service order” to include both a temporary prohibition against a person operating a commercial motor vehicle, as described in 49 C.F.R. § 395.13, and a temporary prohibition against a commercial motor vehicle being operated, as described in 49 C.F.R. § 396.9(c). **Section 1** of this bill, with respect to drivers who are declared out-of-service pursuant to 49 C.F.R. § 395.13 and are convicted of violating such a declaration, requires the Department of Motor Vehicles to suspend the privilege of the person to drive a commercial motor vehicle for the period specified in 49 C.F.R. § 383.51(e) and to impose a civil penalty against the person in the amount specified by 49 C.F.R. § 383.53(b).

Under existing state law, courts having jurisdiction over violations of certain licensing laws or other laws regulating the operation of motor vehicles on highways are required to forward to the Department of Motor Vehicles a record of the conviction of a person for violating such laws. The record must be forwarded to the Department within 20 days after the conviction. (NRS 483.450) Under existing federal law, in the context of a person who holds a commercial driver’s license or is operating a commercial motor vehicle, the licensing entity of the state in which the

20 person is convicted of violating a law relating to motor vehicle traffic control must  
21 provide notice of the conviction to the licensing entity of the state in which the person  
22 is licensed. The notification must be made within 10 days after the conviction. (49 C.F.R. § 384.209) **Section 2** of this bill: (1) reduces from 20 days to  
23 5 days the period within which a court must forward to the Department a record of  
24 conviction; and (2) requires the Department, if the conviction is of a person holding  
25 a commercial driver's license, to provide notice of the conviction to the  
26 Commercial Driver's License Information System within 5 days after the date on  
27 which the Department received the record of conviction from the court. **Section 2**  
28 thus allows the Department to comply with the 10-day reporting period imposed  
29 pursuant to federal regulation.
