EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets [~~omitted material~~] is material to be omitted.

AN ACT relating to local financial administration; revising provisions concerning the quarterly publication of certain financial information by an incorporated city; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law requires the clerk and council of each city incorporated under
2 general law or charter to publish a quarterly statement of the city's finances that
3 shows the receipts and disbursements and the details of each bill that the city has
4 paid. (NRS 268.030) **Section 2** of this bill requires the publication of only the total
5 amounts of the city's receipts, disbursements and bills paid for the quarter but
6 expressly provides that the receipts, bills and other documents which support each
7 transaction that is included in the published totals are public records which are
8 available for inspection and copying. **Section 1** of this bill eliminates a duplicative
9 requirement for the publication of financial information that only applies to the city
10 clerks of cities incorporated under general law.
