

Assembly Bill No. 129—Assemblymen Livermore, Hickey,
Fiore; Hambrick, Hansen, Oscarson, Stewart and
Wheeler

CHAPTER.....

AN ACT relating to motor vehicles; requiring the Department of Motor Vehicles to design, prepare and issue special license plates honoring peace officers who have received certain medals or the equivalent thereof; setting forth the requirements for a person to qualify for the issuance of the special license plates; exempting the special license plates from certain provisions otherwise applicable to special license plates; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill authorizes qualified persons to apply for the issuance of license plates specially designed by the Department of Motor Vehicles, in cooperation with interested parties, to honor peace officers who have received one of several specified medals or the equivalent thereof. The special license plates may be issued to a peace officer who has received one of those medals, or the equivalent thereof, or to a family member of a peace officer who received posthumously the Medal of Honor, or the equivalent thereof. Unless the special license plates are lost or stolen, in which case a \$5 fee applies, no fee in addition to the ordinarily applicable registration and license fees and governmental services taxes may be charged for the issuance or renewal of a set of the special license plates. **Section 1** clarifies further that the event leading to the issuance of one of the several specified medals, or the equivalent thereof, may have occurred before, on or after July 1, 2013.

Under existing law, most special license plates: (1) must be approved by the Commission on Special License plates; (2) are subject to a limitation of not more than 30 separate designs of special license plates which the Department of Motor Vehicles may issue at any one time; and (3) may not be designed, prepared or issued by the Department unless a certain minimum number of applications for the plates are received. (NRS 482.367004, 482.367008, 482.36705) **Sections 3-5** of this bill exempt the special license plates honoring peace officers who have received certain medals, or the equivalent thereof, from all three of the preceding requirements.

Finally, under existing law, a new vehicle dealer who is authorized to issue certificates of registration for any new motor vehicle he or she sells is prohibited from accepting an application for the registration of a motor vehicle if the applicant wishes to obtain special license plates. (NRS 482.216) Despite the broad exemption provided in **sections 3-5**, **section 2** of this bill prohibits a new vehicle dealer from accepting an application for the registration of a motor vehicle if the applicant wishes to obtain the special plates honoring peace officers.
