**Legislative Counsel's Digest:**

Under existing law, the Secretary of State is required to establish the state business portal to facilitate interaction among businesses and governmental agencies in this State by allowing businesses to conduct necessary transactions with governmental agencies in this State through the state business portal. (NRS 75A.100) **Section 1** of this bill requires the Secretary of State to: (1) establish common business registration information that is used by state and local agencies and health districts to conduct necessary transactions with businesses in this State; and (2) cause the state business portal to provide common business registration information to state and local agencies and health districts that conduct necessary transactions with businesses in this State. **Section 1** further requires state and local agencies and health districts to: (1) integrate their electronic application processes into the state business portal; (2) use the state business portal to accept and disseminate common business registration information that is needed by the state or local agency or health district to issue a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State; and (3) make available on the Internet applications for a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State and to integrate such applications into the state business portal. Under **section 9** of this bill: (1) a state or local agency or health district is required to accept common business registration information via the state business portal on or before January 1, 2014, unless the State Board of Examiners extends that deadline; and (2) a state or local agency or health district which believes it cannot comply with certain requirements relating to the state business portal must, with the assistance of the Secretary of State, submit to the State Board of Examiners and the Legislative Commission, on or before July 1, 2014, a written explanation setting forth: (1) the reasons that it cannot timely comply with the requirements; and (2) a timeline for integration into the state business portal.

Under existing law, certain persons are excluded from the definition of "business" for the purposes of state business licenses and, thus, are not required to obtain a state business license. (NRS 76.020) **Section 2** of this bill requires these persons to obtain annually from the Secretary of State a certificate of exemption from the requirement to obtain a state business license. Under **section 2**, a person required to obtain a certificate of exemption must post the certificate conspicuously at his or her establishment or place of business and is subject to a penalty of not more than \$50 if the person fails to do so. **Section 3** of this bill provides that a person required to obtain a state business license must post the state business license conspicuously at his or her establishment or place of business and is subject to a penalty of not more than \$50 if the person fails to do so.

**Section 4** of this bill requires the Secretary of State to assign a unique business identification number to each business entity organized in this State and to each person issued a state business license or a certificate of exemption from the requirement to obtain a state business license. Under **section 1**: (1) the Secretary of State must cause the state business portal to interface with the system used by the Secretary of State to assign business identification numbers; and (2) state and local agencies and health districts that issue licenses, certificates, registrations, permits or similar types of authorization to conduct a business in this State or to engage in an occupation or profession in this State must require applicants for such a license, certificate, registration or permit to include the business identification number on the application. **Sections 2 and 3** require that a state business license or certificate of exemption include the business identification number assigned to the holder of the license or certificate.

**Sections 5 and 6** of this bill amend provisions governing city and county business licenses so that certain information regarding industrial insurance is

provided through the state business portal. **Section 7** of this bill provides that the affidavit required by existing law to obtain a local business license to sell certain retail merchandise must include a statement that the applicant has a current state business license, or a certificate of exemption from the requirements for a state business license, and the applicant's business identification number. **Section 7.5** of this bill authorizes the Employment Security Division of the Department of Employment, Training and Rehabilitation to make certain information available to the Secretary of State for certain purposes related to operating and maintaining the state business portal.

32 Administrator shall furnish the information requested. The  
33 Administrator may charge a fee to cover the actual costs of any  
34 related administrative expenses.

35 8. In addition to the provisions of subsection 5, the  
36 Administrator shall provide lists containing the names and addresses

2 provided with the records of the Division regarding persons  
3 claiming benefits pursuant to this chapter for the same period. The  
4 information submitted by the private carrier must be in a form  
5 determined by the Administrator and must contain the social  
6 security number of each such person. Upon receipt of the request,  
7 the Administrator shall make such a comparison and, if it appears  
8 from the information submitted that a person is simultaneously  
9 claiming benefits under this chapter and under chapters 616A to  
10 616D, inclusive, or chapter 617 of NRS, the Administrator shall  
11 notify the Attorney General or any other appropriate law  
12 enforcement agency. The Administrator shall charge a fee to cover  
13 the actual costs of any related administrative expenses.

14 10. The Administrator may request the Comptroller of the  
15 Currency of the United States to cause an examination of the  
16 correctness of any return or report of any national banking  
17 association rendered pursuant to the provisions of this chapter, and  
18 may in connection with the request transmit any such report or  
19 return to the Comptroller of the Currency of the United States as  
20 provided in section 3305(c) of the Internal Revenue Code of 1954.

21 11. If any employee or member of the Board of Review, the  
22 Administrator or any employee of the Administrator, in violation of  
23 the provisions of this section, discloses information obtained from
