THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1        **Section 1.** 1. The Department of Education shall allocate the  
2        appropriation made by section 2 of this act to school districts to  
3        provide early childhood education programs.

4        2. To receive an allocation from the appropriation made by  
5        section 2 of this act, a school district must submit a comprehensive  
6        plan for the provision of early childhood education programs to the  
7        Department of Education for its approval, on a form prescribed by  
8        the Department. The plan must include, without limitation:

9              (a) Based upon data on the readiness of children in the school  
10          district for kindergarten, an identification of the needs of the school  
11          district for early childhood education programs, including, without

1 limitation, the priorities of the school district for the establishment  
2 or expansion of early childhood education programs;

3 (b) A detailed description of the early childhood education  
4 program proposed for establishment or expansion, including,  
5 without limitation, the number of children projected to participate in  
6 the programs;

7 (c) A description of the manner in which the allocation will be  
8 used to supplement and not replace the money that would otherwise  
9 be expended by the school district for early childhood education  
10 programs;

11 (d) A plan for the longitudinal evaluation of the early childhood  
12 education programs to determine the effectiveness of the programs  
13 on the readiness of the participants in the programs for kindergarten  
14 and on the academic achievement of those participants; and

15 (e) If applicable, a description of how the school district will  
16 collaborate with a community-based organization to operate an early  
17 childhood education program.

18 3. The Department of Education shall determine the amount of  
19 the allocations based upon the needs of children who reside within  
20 the school district, as identified by the school district, for early  
21 childhood education programs to ensure the readiness of the  
22 children for kindergarten. The school district shall give priority for  
23 the establishment or expansion of early childhood education  
24 programs in those areas of the school district where the children are  
25 most in need of such a program to ensure the readiness of the  
26 children for kindergarten. Within the limits of the appropriation, the  
27 Department shall make allocations to school districts with approved  
28 plans in an amount of \$3,200 per child, based upon the number of  
29 children projected to participate in the program, or, in lieu of a per  
30 child amount, an amount not to exceed \$120,000 for the approved  
31 program if the plan submitted by the school district to the  
32 Department includes a detailed budget demonstrating the need for  
33 money in excess of \$3,200 per child to operate the approved  
34 program.

35 4. A school district that receives an allocation pursuant to this  
36 section shall:

37 (a) Provide notice of the early childhood education programs to  
38 residents of the school district and encourage parents and legal  
39 guardians of children who are eligible to participate in such a  
40 program to enroll in the program;

41 (b) Submit a report to the Department of Education regarding  
42 the efforts undertaken by the school district to inform the residents  
43 of the school district about the early childhood education programs  
44 and to encourage the enrollment of children who are eligible for  
45 enrollment in the program;

1       (c) Use the money to establish or expand early childhood  
2 education programs and offer the programs free of charge to  
3 children who are eligible for enrollment in the program;

4       (d) Use the money to supplement and not replace the money that  
5 the school district would otherwise expend for early childhood  
6 education programs; and

7       (e) Submit a longitudinal evaluation of the early childhood  
8 education programs in accordance with the plan submitted pursuant  
9 to paragraph (d) of subsection 2.

10      5. The Department of Education shall develop statewide  
11 performance and outcome indicators to measure the effectiveness of  
12 the early childhood education programs for which allocations are  
13 made pursuant to this section. In developing the indicators, the  
14 Department shall establish minimum performance levels and  
15 increase the expected performance rates on a yearly basis, based  
16 upon the performance results of the participants in the programs.  
17 The indicators must include, without limitation:

18       (a) Longitudinal measures of the developmental progress of the  
19 participants before and after their completion of the early childhood  
20 education program;

21       (b) Longitudinal measures of parental involvement in the early  
22 childhood education program before and after the participants'  
23 completion of the program; and

24       (c) The percentage of participants who drop out of the early  
25 childhood education program before completion of the program.

26      6. The Department of Education shall prepare a written report  
27 which includes, without limitation:

28       (a) The number of allocations made and an identification of  
29 which school districts received an allocation pursuant to this section;

30       (b) A compilation and analysis of the longitudinal evaluations  
31 submitted to the Department pursuant to subsection 4 by each  
32 school district that received an allocation pursuant to this section  
33 that includes, without limitation:

34           (1) A longitudinal comparison of the data showing the  
35 effectiveness of the different early childhood education programs;

36           (2) A description of the early childhood education programs  
37 in this State that are the most effective; and

38           (3) Based upon the performance of participants in the early  
39 childhood education programs as measured by the performance and  
40 outcome indicators developed pursuant to subsection 5, a  
41 description of the revised performance and outcome indicators,  
42 including any revised minimum performance levels and  
43 performance rates;

\* A B 1 6 3 R 1 \*

1       (c) The number of schools in each school district that offered  
2 early childhood education programs funded by the allocation to that  
3 school district;

4       (d) The number of children who received services through early  
5 childhood education programs funded by the allocations made  
6 pursuant to this section and the average expenditure per child for the  
7 programs;

8       (e) The involvement of parents and families whose children  
9 participated in early childhood education programs funded by  
10 allocations made pursuant to this section; and

11      (f) Any recommendations for legislation related to early  
12 childhood education programs.

13     7. The Department of Education shall submit the report  
14 prepared pursuant to subsection 6 to the Governor and to the  
15 Director of the Legislative Counsel Bureau for transmittal to the  
16 78th Session of the Nevada Legislature.

17     **Sec. 2.** 1. There is hereby appropriated from the State  
18 General Fund to the Department of Education for allocation to  
19 school districts to provide early childhood education programs  
20 pursuant to section 1 of this act the following sums:

21           For the Fiscal Year 2013-2014 ..... \$10,000,000

22           For the Fiscal Year 2014-2015 ..... \$10,000,000

23     2. The sums appropriated by subsection 1 are available for  
24 either fiscal year. Any remaining balance of those sums must not be  
25 committed for expenditure after June 30, 2015, by the entity to  
26 which the appropriation is made or any entity to which money from  
27 the appropriation is granted or otherwise transferred in any manner,  
28 and any portion of the appropriated money remaining must not be  
29 spent for any purpose after September 18, 2015, by either the entity  
30 to which the money was appropriated or the entity to which the  
31 money was subsequently granted or transferred, and must be  
32 reverted to the State General Fund on or before September 18, 2015.

33     **Sec. 3.** This act becomes effective on July 1, 2013.
