AN ACT relating to education; requiring that a performance framework for a charter school be incorporated into the charter contract; revising provisions governing applications for authorization to sponsor charter schools by the board of trustees of a school district or a college or university within the Nevada System of Higher Education; revising the procedure for reviewing an application to form a charter school; setting forth requirements for the execution and renewal of charter contracts; setting forth the grounds for termination of a charter contract; revising provisions relating to the enrollment of pupils in charter schools; requiring the Department of Education to adopt regulations for the comprehensive review of sponsors of charter schools approved by the Department and for the revocation of the authorization to sponsor charter schools; making various other changes relating to charter schools; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

- 1 Existing law authorizes the formation and operation of charter schools. (NRS
- 2 386.490-386.610) **Section 3** of this bill requires that a written performance
- 3 framework for a charter school be incorporated into the charter contract executed
- 4 by the sponsor and the governing body of the charter school pursuant to **section 8**
- 5 of this bill. The performance framework must include performance indicators,

measures and metrics for: (1) the academic achievement and proficiency of pupils enrolled in the charter school and disparities in achievement among those pupils; (2) the attendance rate of pupils enrolled in the charter school and the percentage of pupils who reenroll from year-to-year; (3) the financial condition and sustainability of the charter school; (4) the performance of the governing body of the charter school; and (5) if the charter school enrolls pupils at the high school grade level, the rate of graduation of those pupils.

Existing law prescribes the circumstances under which the sponsor of a charter school is authorized to revoke the charter of a charter school. (NRS 386.535) **Section 3.5** of this bill requires the sponsor of a charter school to terminate the charter contract of the charter school if the charter school receives three consecutive annual ratings established as the lowest rating possible indicating underperformance of a public school, as determined by the Department of Education pursuant to the statewide system of accountability for public schools. The procedures in existing law setting forth notice and timelines for the termination of a charter contract do not apply to termination on these grounds. **Section 3.5** also provides that a rating of a charter school before July 1, 2013, pursuant to the statewide system of accountability, must not be included in the count of consecutive annual ratings for the purposes of determining whether termination is required.

Existing law authorizes the board of trustees of a school district or a college or university within the Nevada System of Higher Education to sponsor charter schools. (NRS 386.515) **Section 5** of this bill clarifies that, similar to the board of trustees of a school district, a college or university is required to submit an application to the Department to sponsor charter schools. Under existing law, the Department is also required to adopt regulations prescribing the process for submission of an application by the board of trustees of a school district for authorization to sponsor charter schools. (NRS 386.540) **Section 12** of this bill makes a college or university within the Nevada System of Higher Education subject to those regulations and requires the Department to adopt additional regulations prescribing: (1) the process and timeline for the review of an application for authorization to sponsor charter schools; (2) the process for the Department to conduct a comprehensive review of sponsors of charter schools approved by the Department at least once every 3 years; and (3) the process for the Department to continue or revoke the authorization of a board of trustees or a college or university to sponsor charter schools.

Existing law sets forth the process for review of an application to form a charter school by the proposed sponsor of the charter school. (NRS 386.525) **Section 7** of this bill requires the proposed sponsor to assemble a team of reviewers and to conduct a thorough evaluation of the application, including an in-person interview with the committee to form the charter school. Existing law further provides that a proposed sponsor may approve an application to form a charter school if the application is complete and complies with the applicable statutes and regulations. **Section 7** also requires that to approve an application, the proposed sponsor must determine that the applicant has demonstrated competence which will likely result in a successful opening and operation of the charter school.

Under existing law, if an application to form a charter school is approved by the proposed sponsor of the charter school, the charter school is issued a written charter for a term of 6 years. (NRS 386.527) **Section 8** removes the requirement for the issuance of a written charter and instead requires the proposed sponsor of the charter school and the governing body of the charter school to execute a charter contract for a term of 6 years.

Existing law sets forth the procedures for renewal and revocation of written charters. (NRS 386.530, 386.535) **Section 9** of this bill removes the written charter and instead prescribes the procedure for renewal of a charter contract, which

includes a requirement that the sponsor provide the charter school with a written report summarizing the charter school's performance during the term of the charter contract. **Section 10** of this bill prescribes the grounds for termination of a charter contract, which includes the ground that the charter school has persistently underperformed, as measured by the performance framework developed for the charter school.

Existing law provides that a charter school dedicated to providing educational programs and opportunities to pupils who are at risk may enroll a child who is the child of a full-time employee of the charter school before enrolling pupils who are otherwise eligible for enrollment. **Section 17** of this bill removes the provision that such a charter school must serve at-risk pupils and instead authorizes any charter school to, before enrolling children who are otherwise eligible for enrollment, enroll a child if the child is the child of: (1) an employee of the charter school; (2) a member of the committee to form the charter school; or (3) a member of the governing body of the charter school.

Section 19 of this bill revises requirements for the annual report that the sponsor of a charter school is required to provide to the Department of Education by including a summary evaluating the performance of the charter school, as measured by the performance framework, and by removing the requirement that the sponsor of the charter school include a description of the administrative support and services provided by the sponsor. (NRS 386.610)

31 subsection, the governing body is not required to provide
32 transportation for the child to attend the class or activity. A charter
33 school shall not authorize such a child to participate in a class or
34 activity through a program of distance education provided by the
35 charter school pursuant to NRS 388.820 to 388.874, inclusive.

36 6. The governing body of a charter school may revoke its
37 approval for a child to participate in a class or extracurricular
38 activity at a charter school pursuant to subsection 5 if the governing
39 body determines that the child has failed to comply with applicable
40 statutes, or applicable rules and regulations. If the governing body
41 so revokes its approval, neither the governing body nor the charter
42 school is liable for any damages relating to the denial of services to
43 the child.

44 7. The governing body of a charter school may, before
45 authorizing a homeschooled child to participate in a class or

1 extracurricular activity pursuant to subsection 5, require proof of the
2 identity of the child, including, without limitation, the birth
3 certificate of the child or other documentation sufficient to establish
4 the identity of the child.

5 8. This section does not preclude the formation of a charter
6 school that is dedicated to provide educational services exclusively
7 to pupils:

8 (a) With disabilities;

9 (b) Who pose such severe disciplinary problems that they
10 warrant a specific educational program, including, without
11 limitation, a charter school specifically designed to serve a single
12 gender that emphasizes personal responsibility and rehabilitation; or

13 (c) Who are at risk.

14 ➔ If more eligible pupils apply for enrollment in such a charter
15 school than the number of spaces which are available, the charter
16 school shall determine which applicants to enroll pursuant to this
17 subsection on the basis of a lottery system.

18 **Sec. 18.** NRS 386.595 is hereby amended to read as follows:

19 386.595 1. All employees of a charter school shall be deemed
20 public employees.

21 2. The governing body of a charter school may make all
22 decisions concerning the terms and conditions of employment with
23 the charter school and any other matter relating to employment with
24 the charter school. In addition, the governing body may make all
25 employment decisions with regard to its employees pursuant to NRS
26 391.311 to 391.3197, inclusive, unless a collective bargaining
27 agreement entered into by the governing body pursuant to chapter
28 288 of NRS contains separate provisions relating to the discipline of
29 licensed employees of a school.

30 3. Upon the request of the governing body of a charter school,
31 the board of trustees of a school district shall, with the permission of
32 the licensed employee who is seeking employment with the charter
33 school, transmit to the governing body a copy of the employment
34 record of the employee that is maintained by the school district. The
35 employment record must include, without limitation, each
36 evaluation of the licensed employee conducted by the school district
37 and any disciplinary action taken by the school district against the
38 licensed employee.

39 4. Except as otherwise provided in this subsection, if the
40 ~~written~~ charter *contract* of a charter school is ~~revoked~~
41 *terminated* or if a charter school ceases to operate as a charter
42 school, the licensed employees of the charter school must be
43 reassigned to employment within the school district in accordance
44 with the applicable collective bargaining agreement. A school

1 district is not required to reassign a licensed employee of a charter
2 school pursuant to this subsection if the employee:

3 (a) Was not granted a leave of absence by the school district to
4 accept employment at the charter school pursuant to subsection 5;

5 (b) Was granted a leave of absence by the school district and did
6 not submit a written request to return to employment with the school
7 district in accordance with subsection 5; or

8 (c) Does not comply with or is otherwise not eligible to return to
9 employment pursuant to subsection 6, including, without limitation,
10 the refusal of the licensed employee to allow the school district to
11 obtain the employment record of the employee that is maintained by
12 the charter school.

13 5. The board of trustees of a school district shall grant a leave
14 of absence, not to exceed 3 years, to any licensed employee who is
15 employed by the board of trustees who requests such a leave of
16 absence to accept employment with a charter school. After the first
17 school year in which a licensed employee is on a leave of absence,
18 the employee may return to a comparable teaching position with the
19 board of trustees. After the third school year, a licensed employee
20 shall either submit a written request to return to a comparable
21 teaching position or resign from the position for which the
22 employee's leave was granted. The board of trustees shall grant a
23 written request to return to a comparable position pursuant to this
24 subsection even if the return of the licensed employee requires the
25 board of trustees to reduce the existing workforce of the school
26 district. The board of trustees is not required to accept the return of
27 the licensed employee if the employee does not comply with or is
28 otherwise not eligible to return to employment pursuant to
29 subsection 6, including, without limitation, the refusal of the
30 licensed employee to allow the school district to obtain the
31 employment record of the employee that is maintained by
32 the charter school. The board of trustees may require that a request
33 to return to a comparable teaching position submitted pursuant to
34 this subsection be submitted at least 90 days before the employee
35 would otherwise be required to report to duty.

36 6. Upon the request of the board of trustees of a school district,
37 the governing body of a charter school shall, with the permission of
38 the licensed employee who is granted a leave of absence from the
39 school district pursuant to this section, transmit to the school district
40 a copy of the employment record of the employee that is maintained
41 by the charter school before the return of the employee to
42 employment with the school district pursuant to subsection 4 or 5.
43 The employment record must include, without limitation, each
44 evaluation of the licensed employee conducted by the charter school
45 and any disciplinary action taken by the charter school against the

1 licensed employee. Before the return of the licensed employee, the
2 board of trustees of the school district may conduct an investigation
3 into any misconduct of the licensed employee during the leave of
4 absence from the school district and take any appropriate
5 disciplinary action as to the status of the person as an employee of
6 the school district, including, without limitation:

7 (a) The dismissal of the employee from employment with the
8 school district; or

9 (b) Upon the employee's return to employment with the school
10 district, documentation of the disciplinary action taken against the
11 employee into the employment record of the employee that is
12 maintained by the school district.

13 7. If a school district conducts an investigation pursuant to
14 subsection 6:

15 (a) The licensed employee is not entitled to return to
16 employment with the school district until the investigation is
17 complete; and

18 (b) The investigation must be conducted within a reasonable
19 time.

20 8. A licensed employee who is on a leave of absence from a
21 school district pursuant to this section:

22 (a) Shall contribute to and be eligible for all benefits for which
23 the employee would otherwise be entitled, including, without
24 limitation, participation in the Public Employees' Retirement
25 System and accrual of time for the purposes of leave and retirement.

26 (b) Continues, while the employee is on leave, to be covered by
27 the collective bargaining agreement of the school district only with
28 respect to any matter relating to his or her status or employment
29 with the district.

30 ➤ The time during which such an employee is on a leave of absence
31 and employed in a charter school does not count toward the
32 acquisition of permanent status with the school district.

33 9. Upon the return of a teacher to employment in the school
34 district, the teacher is entitled to the same level of retirement, salary
35 and any other benefits to which the teacher would otherwise be
36 entitled if the teacher had not taken a leave of absence to teach in a
37 charter school.

38 10. An employee of a charter school who is not on a leave of
39 absence from a school district is eligible for all benefits for which
40 the employee would be eligible for employment in a public school,
41 including, without limitation, participation in the Public Employees'
42 Retirement System.

43 11. For all employees of a charter school:

44 (a) The compensation that a teacher or other school employee
45 would have received if he or she were employed by the school

1 district must be used to determine the appropriate levels of
2 contribution required of the employee and employer for purposes of
3 the Public Employees' Retirement System.

4 (b) The compensation that is paid to a teacher or other school
5 employee that exceeds the compensation that the employee would
6 have received if he or she were employed by the school district must
7 not be included for the purposes of calculating future retirement
8 benefits of the employee.

9 12. If the board of trustees of a school district in which a
10 charter school is located manages a plan of group insurance for its
11 employees, the governing body of the charter school may negotiate
12 with the board of trustees to participate in the same plan of group
13 insurance that the board of trustees offers to its employees. If the
14 employees of the charter school participate in the plan of group
15 insurance managed by the board of trustees, the governing body of
16 the charter school shall:

17 (a) Ensure that the premiums for that insurance are paid to the
18 board of trustees; and

19 (b) Provide, upon the request of the board of trustees, all
20 information that is necessary for the board of trustees to provide the
21 group insurance to the employees of the charter school.
