AN ACT relating to crimes; revising provisions governing the community notification website which provides certain information to the public concerning sex offenders and offenders convicted of a crime against a child; amending provisions concerning the confidentiality of the content of the record of registration of a sex offender or offender convicted of a crime against a child; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law requires the Department of Public Safety to establish and maintain  
2 a community notification website to provide the public with certain information  
3 concerning certain sex offenders and offenders convicted of a crime against a child.  
4 (NRS 179B.250) **Section 1** of this bill establishes the community notification  
5 website as the source of record for information concerning sex offenders and  
6 offenders convicted of a crime against a child. **Section 1** also removes the  
7 requirement that the Central Repository for Nevada Records of Criminal History  
8 maintain a log of each inquiry to the community notification website.

9 Existing law authorizes, except as otherwise provided by specific statute, only a  
10 law enforcement officer or the offender named in the record to inspect the record of  
11 registration of a sex offender or offender convicted of a crime against a child. (NRS  
12 179D.160) **Section 2** of this bill provides that, except as otherwise provided by  
13 specific statute, the contents of a record of registration are confidential and not  
14 subject to subpoena, discovery or public inspection.
