AN ACT relating to victims of crime; repealing and replacing certain provisions relating to the treatment of victims of sexual assault; revising various provisions relating to the medical and psychological treatment of victims of sexual assault and certain other persons; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires a county to pay any costs incurred for the medical care
2 for any physical injuries resulting from a sexual assault that occurs within the
3 county. (NRS 217.300) Existing law also requires any costs incurred by a hospital
4 for: (1) the examination of the victim of a sexual offense; or (2) the initial medical
5 care of the victim, to be charged to the county in whose jurisdiction the offense was
6 committed. (NRS 449.244) **Section 14** of this bill repeals NRS 449.244 and
7 replaces the provisions in **sections 9 and 10** of this bill.
8 Existing law: (1) authorizes a victim of a sexual assault, or the spouse of the
9 victim who suffers emotional distress, to submit an affidavit and apply to the board
10 of county commissioners in the county where the sexual assault occurred for certain
11 treatment at county expense; and (2) authorizes a victim of a sexual assault who has
12 suffered emotional trauma to select a relative or close friend to receive counseling
13 with the victim under certain circumstances. (NRS 217.310) **Section 10** of this bill
14 provides that a victim of a sexual assault must file a report with the appropriate law

15 enforcement agency or submit to a forensic medical examination before the victim,
16 spouse, relative or close friend may receive such treatment.
