AN ACT relating to arbitration; requiring certain agreements that require arbitration of disputes arising under the agreement to include specific authorization for the arbitration; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1      Section 1 of this bill requires an agreement which includes a provision  
2      requiring a person to submit to arbitration any dispute arising between the parties to  
3      the agreement to include specific authorization of the provision by the person.  
4      Section 1 further provides that an agreement which includes such a provision  
5      concerning submitting a dispute to arbitration and which fails to include specific  
6      authorization of that provision by the person is void. Section 1 excludes a  
7      collective bargaining agreement from these new provisions.

8      Existing law which governs the provisions for arbitration provided by the  
9      parties to an agreement is set forth in the Uniform Arbitration Act. (NRS 38.206-  
10     38.248) Section 2 of this bill provides an exception to a provision of the Uniform  
11     Arbitration Act which governs the validity of an agreement to arbitrate to account  
12     for the requirement set forth in section 1.
