CHAPTER.....

AN ACT relating to governmental administration; authorizing the Sunset Subcommittee of the Legislative Commission to recommend the auditing of certain boards or commissions; providing that certain members of the Sunset Subcommittee are nonvoting members; decreasing the number of boards and commissions that the Sunset Subcommittee is required to review; removing the requirement that the Sunset Subcommittee submit a written assessment to a board or commission setting forth the costs of a review; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Sunset Subcommittee of the Legislative Commission to conduct a review of certain boards and commissions in this State. The Sunset Subcommittee is required to review: (1) not less than 20 such boards and commissions each year; and (2) each board and commission subject to review not less than once every 10 years. The Sunset Subcommittee also must submit a written assessment to each board or commission that is reviewed which sets forth the costs of the review, and the board or commission must pay such an amount to the Sunset Subcommittee. (NRS 232B.220) **Section 3** of this bill revises these provisions and only requires the Sunset Subcommittee to review not less than 10 boards and commissions each legislative interim. **Section 3** additionally removes the provisions concerning the written assessment.

Section 1 of this bill provides that at any time during a legislative interim, if the Sunset Subcommittee determines that a board or commission should be audited, the Sunset Subcommittee must make a recommendation to the Legislative Commission, and the Legislative Commission must determine whether to direct the Legislative Auditor to perform an audit. The Legislative Auditor is prohibited from performing more than four such audits during a legislative interim.

Section 2 of this bill specifies that the members of the Sunset Subcommittee who are members of the general public are nonvoting members.
