Legislative Counsel's Digest:

Section 1 of this bill provides that a person is guilty of a category B felony if the person: (1) is not a qualified elector and votes or attempts to vote knowing that fact; or (2) votes or attempts to vote using the name of another person.

Section 2 of this bill provides that if a vacancy occurs in a nonpartisan nomination during a certain period, the vacancy in nomination will be filled pursuant to procedures established by rule of the Secretary of State.

Sections 3 and 55 of this bill change, from the first Tuesday in September to the last Tuesday in August before a general election, the deadline by which a minor political party that wishes to place candidates for President and Vice President on the ballot must file a certificate of nomination with the Secretary of State.

Section 4 of this bill provides that provisions relating to the nomination of candidates apply to a special election to fill a vacancy, subject to certain exceptions.

Sections 5 and 6 of this bill require county clerks to certify to the Secretary of State lists of candidates who have filed candidacy papers with the county clerks and of candidates who are nominated for office at primary elections.

Section 7 of this bill clarifies that an independent candidate for partisan office must file a copy of his or her petition of candidacy before the petition may be circulated for signatures.

Section 8 of this bill changes the date by which permanent regulations of the Secretary of State must be effective in order to govern an election from the December 31 immediately preceding the election to the last business day of February immediately preceding the election.

Under existing law, for the period beginning on the fifth Sunday preceding a primary or general election and ending on the third Tuesday preceding the primary or general election, a person may only register to vote in person. (NRS 293.560)

Section 12 of this bill allows a person to register to vote by computer during that period.

Section 14 of this bill defines a "committee sponsored by a political party" for purposes of provisions relating to campaign practices.

Sections 15, 17, 20, 22-41, 43-49, 51, 53, 54 and 56 of this bill clarify reporting requirements related to campaign finance.

Existing law requires a person who is not under the direction or control of a candidate or candidate group or of a person involved in the campaign of the candidate or candidate group and who makes an expenditure on behalf of the candidate or candidate group to report to the Secretary of State all contributions to and expenditures made by the person. (NRS 294A.140, 294A.210) **Sections 30 and 34** of this bill clarify that such a person is making an independent expenditure. **Section 16** of this bill defines the term "independent expenditure."

Sections 21 and 45 of this bill provide that fees for filing declarations or acceptances of candidacy, repayments or forgiveness of loans guaranteed by third parties and the disposal of unspent contributions are considered, and must be reported by candidates as, campaign expenses.

Sections 18, 20, 22, 26, 30-38 and 41 of this bill provide that reporting requirements related to campaign finance are the same for a general election, a primary election and a special election that is held on the same day as a primary or general election.

Existing law requires a nonprofit corporation to register with the Secretary of State before it engages in certain activities designed to affect the outcome of an election or a question on the ballot. (NRS 294A.225) **Sections 30, 34, 42, 47, 49, 50 and 54** of this bill provide that those nonprofit corporations are subject to the same campaign finance reporting requirements as certain other persons, committees for political action, political parties and committees sponsored by political parties.

Section 47 of this bill removes the requirement that the Secretary of State obtain the advice and consent of the Legislative Commission before making a copy

of, or access to, the contribution, expenditure and campaign expense forms designed by the Secretary of State available to a candidate, person, committee, political party or nonprofit corporation.

Section 52 of this bill amends the required content and due date of the compilation prepared by the Secretary of State of contribution and campaign expense reports.
