**Legislative Counsel's Digest:**

Under existing law, a county assessor is required to prepare and publish in a newspaper of general circulation in the county a list of all the taxpayers on the secured roll in the county and the total value of the property on which they pay taxes. (NRS 361.300) This bill provides that, in a county whose population is 100,000 or more (currently Clark and Washoe Counties), the county assessor may publish this list in a newspaper of general circulation or on an Internet website maintained by the county assessor.
