Legislative Counsel's Digest:

With certain exceptions, each employer, including each contractor, is required to contribute to the Unemployment Compensation Fund. (NRS 612.535) Each contractor who has employees, is a subcontractor for a principal contractor, or submits a bid on a job for a principal contractor or subcontractor is also required to: (1) maintain industrial insurance and insurance for occupational diseases; (2) obtain a certificate of qualification as a self-insured employer from the Commissioner of Insurance; or (3) maintain membership in an association of self-insured employers. (Chapters 616A-617 of NRS, NRS 624.256) Existing law requires: (1) the Administrator of the Division of Industrial Relations of the Department of Business and Industry to provide timely notice to the State Contractors' Board if a contractor's industrial insurance coverage has lapsed; and (2) the Commissioner of Insurance to provide timely notice to both the Administrator and the Board if a contractor's certificate of qualification as a self-insured employer is cancelled or withdrawn, or the contractor is no longer a member of an association of self-insured public or private employers. (NRS 616B.630)

Section 8 of this bill requires the Board, if applicable, to notify each licensed contractor against whom a judgment has been obtained for failure to pay contributions to the Unemployment Compensation Fund or who fails to meet the requirements to provide and maintain industrial insurance and insurance for occupational diseases that the contractor's license will be suspended if the contractor fails to furnish proof by a certain date that he or she is in compliance with these requirements. **Section 8** also requires that the Board suspend the license of any contractor who fails to furnish proof by a certain date that the contractor has satisfied a judgment for failure to pay contributions to the Unemployment Compensation Fund or that the contractor is in compliance with the requirements to provide and maintain industrial insurance and insurance for occupational diseases until the contractor whose license has been suspended satisfies the judgment or demonstrates compliance with those requirements. **Section 8** further provides that if a contractor's license is suspended for failure to satisfy a judgment for failure to pay contributions to the Unemployment Compensation Fund or to meet the requirements to provide and maintain industrial insurance and insurance for occupational diseases: (1) the contractor is required to submit to the Board a list of all the projects for which a contract was entered into before the date of the notice of the suspension; (2) the contractor is prohibited from submitting any bids for any new work or beginning work on a project not described on the list; and (3) the contractor's name is removed from certain lists of contractors eligible to bid on public works projects until the suspension is lifted. **Section 8** provides for the extended suspension or revocation of the license of a contractor who fails to submit a complete list of projects, submits an unauthorized bid or begins work on an unauthorized project. Finally, **section 8** provides for the suspension and revocation of the license of a contractor who fails to satisfy a judgment for failure to contribute to the Unemployment Compensation Fund or to provide and maintain industrial insurance and insurance for occupational diseases twice within a 5-year period.

Section 8.5 of this bill requires the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation to notify the Board of any contractor against whom a duly filed judgment has been obtained for failure to pay contributions to the Unemployment Compensation Fund.
