Legislative Counsel's Digest:

1 Under existing law, the Board of Regents of the University of Nevada is required, to the
2 extent money is available, to pay certain fees and expenses associated with undergraduate
3 classes taken at a school within the Nevada System of Higher Education by the dependent
4 children of a police officer, firefighter, officer of the Nevada Highway Patrol, volunteer
5 ambulance driver or attendant who was killed while performing his or her duties. (NRS
6 396.545) This bill expands the applicability of this provision to include the payment of those
7 fees and expenses for dependent children of a public safety officer killed in the line of duty.
8 This bill further defines the term "public safety officer" to mean a person serving a public
9 agency in an official capacity, with or without compensation, as a peace officer, firefighter or
10 as a member of a rescue or emergency medical services crew.
