EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~[omitted material]~~ is material to be omitted.

AN ACT relating to motor vehicles; ~~[revising]~~ **establishing** requirements for the ~~[registration]~~ **permitting** of a motor vehicle of a nonresident who is employed in this State and operates the motor vehicle on the highways of this State on a regular basis to commute to that employment; requiring that such a motor vehicle comply with certain provisions; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a nonresident who is employed in this State and who owns a motor vehicle that is operated in this State must, within 30 days after commencing employment and with certain exceptions, register the motor vehicle in this State. (NRS 482.385) **Section 1** of this bill requires that an owner of a motor vehicle that is operated in this State by a nonresident daily commuter ~~[register]~~ **obtain a nonresidential daily commuter permit for** the motor vehicle within 10 days after the nonresident daily commuter commences employment. Such a ~~[registration]~~ **permit** would require the payment of a fee and be valid for 1 year. **Section 1** also requires such a motor vehicle to comply with the registration, insurance and emissions testing requirements, if any, of the out-of-state location where the owner is a resident. If the location where the owner is a resident does not require emissions testing, **section 1** requires such a motor vehicle to undergo emissions testing as if it were the vehicle of a Nevada resident. For the purposes of this bill, **section 1** defines “nonresident daily commuter” to mean a person who: (1) is not a Nevada resident; (2) enters and leaves the State of Nevada on a regular basis for the purpose of engaging, in this State, in a trade, profession, occupation or other gainful employment; (3) engages in such gainful employment at a location which is within the State of Nevada and not more than 30 road miles from the boundary between the State of Nevada and any of the states of Arizona, California, Idaho, Oregon and Utah; and (4) principally garages his or her commuting vehicle in a state other than Nevada.
