Section 4 of this bill creates the Wage Claim Restitution Account into which must be deposited 25 percent of the amount of certain ~~administrative~~ penalties collected by the Labor Commissioner. The money in the Account must be used only to provide restitution to certain employees who are underpaid by their employers in violation of certain provisions of existing law when no other source of restitution is available.

If the Labor Commissioner has reason to believe that a person is violating or has violated a labor law or regulation, the Labor Commissioner may take any appropriate action against the person to enforce the labor law or regulation whether or not a claim or complaint has been made to the Labor Commissioner concerning the violation.
