AN ACT relating to food establishments; allowing farms to hold farm-to-fork events in certain circumstances without being considered a food establishment for purposes of inspections by the health authority and other regulations; requiring such farms to register with the health authority; ~~providing a similar exemption from requirements applicable to a food establishment for certain farms which manufacture or prepare certain food items for sale or which offer or display such food items under certain circumstances;~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a person to obtain a permit to operate a food establishment and to comply with various other requirements in the operation of the food establishment. (NRS 446.870) Existing law defines the term “food establishment” for those purposes and specifically excludes certain entities from the definition, including private homes where the food that is prepared or manufactured in the home is not provided for compensation or other consideration of any kind. (NRS 446.020)

Section 5 of this bill adds to the list of entities that are excluded from the definition of “food establishment” a farm holding a farm-to-fork event. **Section 2** of this bill defines the term “farm-to-fork event” as an event where prepared food from a farm is provided for immediate consumption by paying guests at the farm. **Section 3** of this bill authorizes a farm to hold a farm-to-fork event without being subject to the requirements of a food establishment provided that: (1) any rabbit meat or poultry served is raised and prepared on the farm, and is butchered and processed on the farm pursuant to certain permit and inspection requirements of NRS; (2) other food items served are prepared from ingredients substantially produced on the farm; and (3) each guest is provided with ~~(and acknowledges receipt of)~~ a notice which states that no inspection was conducted by a state or local health department of the farm or the food to be consumed, except as to the butchering and processing of the meat or poultry. **Section 3** further provides that a farm which holds more than two events in any month becomes a food establishment subject to all the requirements of a food establishment for the remainder of the calendar year. **Section 3.5** requires a farm that wishes to hold farm-to-fork events to register

with the health authority by providing certain information and paying a fee. The health authority is prohibited from inspecting the farm, except in certain circumstances. ~~Section 5 also adds to the list of entities that are excluded from the definition of "food establishment" a farm that manufactures or prepares certain food items for sale or which offers or displays for sale or serves those food items under certain circumstances. Section 4 of this bill specifies which food items qualify a farm for that exemption.~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 446 of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3, 3.5 and 4 of this act.
