Legislative Counsel's Digest:

Existing law provides that the juvenile court has exclusive jurisdiction over a child who is alleged to have committed an act designated as a criminal offense unless: (1) the criminal offense is excluded from the jurisdiction of the juvenile court; or (2) the child is alleged to have committed an offense for which the juvenile court may certify the child for criminal proceedings as an adult and the juvenile court certifies the child for criminal proceedings as an adult upon a motion by the district attorney and after a full investigation. (NRS 62B.330, 62B.390)

Under existing law, the offenses excluded from the jurisdiction of the juvenile court include, without limitation, murder and attempted murder. (NRS 62B.330) **Section 1** of this bill provides that murder and attempted murder are excluded from the jurisdiction of the juvenile court only if the offense was committed by a child who was ~~12~~ **14** years of age or older when he or she committed the offense.

Under existing law, during the pendency of the proceeding, a child who is charged with a crime which is excluded from the original jurisdiction of the juvenile court may petition the juvenile court for temporary placement in a facility for the detention of children. (NRS 62C.030) **Section 2** of this bill authorizes a child who is certified for criminal proceedings as an adult to petition the juvenile court for temporary placement in a facility for the detention of children during the pendency of the proceeding.

Section 10 of this bill requires the Legislative Committee on Child Welfare and Juvenile Justice to create a task force to study certain issues relating to juvenile justice.
