AN ACT relating to motor vehicles; authorizing a person who has been honorably discharged from the Armed Forces of the United States to obtain a designation on his or her instruction permit, driver's license or identification card indicating that he or she is a veteran; requiring the Department of Motor Vehicles, on a monthly basis, to submit to the Office of Veterans Services a list of persons who have declared that they are veterans of the Armed Forces; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Motor Vehicles to place a designation on the instruction permit, driver's license or identification card of certain persons, including persons with a disability which impairs or limits the ability to walk. (NRS 483.349, 483.865) Existing law also requires the Department to inquire whether a person wishes to declare that he or she is a veteran when applying for an instruction permit, driver's license or identification card. (NRS 483.292, 483.852)

Sections 5 and 6 of this bill require that a person who: (1) applies to the Department for the initial issuance or renewal of an instruction permit, driver's license or identification card; and (2) requests to have imprinted on that permit, license or card a designation that he or she is a veteran of the Armed Forces of the United States provide evidence satisfactory to the Department indicating that he or she was honorably discharged from the Armed Forces. If such a person fulfills the requirements of **section 5 or 6**, as applicable, **sections 2 and 3** of this bill require the Department to place a designation that the person is a veteran on the person's instruction permit, driver's license or identification card, as appropriate. Sections 5 and 6 also require the Department to compile and submit to the Office of Veterans Services each month a list of persons who have declared that they are veterans of the Armed Forces.
