AN ACT relating to administrative regulations; revising provisions governing the posting of certain notices concerning regulations by agencies; requiring regulations to be adopted within a certain period; requiring certain information to be included on the informational statement submitted with an adopted regulation; making various other changes to the Nevada Administrative Procedure Act; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Nevada Administrative Procedure Act is set forth in existing law to establish the procedures for agencies of the Executive Branch of the State Government to promulgate administrative regulations. (Chapter 233B of NRS) **Section 1** of this bill requires an agency to submit a notice of any meeting or workshop relating to the adoption of a regulation to the Director of the Legislative Counsel Bureau at the same time that the agency posts notice of the meeting or workshop for posting on the Internet website maintained by the Legislative Counsel Bureau. **Section 2** of this bill ~~provides that~~ **requires an agency to adopt a regulation** ~~will be deemed withdrawn if the agency has not adopted the regulation~~ within 2 years after submitting the regulation to the Legislative Counsel ~~unless the agency has petitioned and received approval for an extension from the Legislative Commission~~. **If the regulation is not adopted within that time, section 2 requires that the executive head of the agency appear personally before the Legislative Commission to explain the reason for the failure.** **Section 3** of this bill revises the requirements for the informational statement which is submitted under existing law with the adopted regulation by requiring the agency to include an explanation of the need for the regulation.

Existing law provides that the Legislative Commission or the Subcommittee to Review Regulations may object to a regulation: (1) if it is determined that the regulation is not required by federal law if it is adopted for that purpose; (2) if the regulation does not conform to statutory authority; or (3) if the regulation does not carry out legislative intent. **Section 4** of

20 this bill further allows an objection to be made to a regulation if the agency did not provide a
21 satisfactory explanation of the need for the regulation or if the informational statement is
22 insufficient or incomplete. If an objection is raised, under existing law, the regulation is
23 returned to the agency. (NRS 233B.067)

24 **Section 5** of this bill makes the provisions of this bill applicable retroactively to any
25 regulation which has been proposed but not adopted before July 1, 2013, and to any regulation
26 adopted on or after July 1, 2013.
