AN ACT relating to public records; revising provisions governing requests for books and records of certain agencies of the Executive Department of the State Government; ~~codifying a common law balancing test by which governmental entities determine whether to disclose certain books and records of the entity; revising provisions governing the information that a governmental entity is required to provide upon the denial of a request for a book or record of the entity;~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, all public books and records of a governmental entity, the contents of which are not otherwise declared by law to be confidential, are required to be open at all times during office hours for inspection and copying by the public. (NRS 239.010) The Nevada Supreme Court has established a balancing test for a governmental entity to apply to determine whether to disclose a book or record when the law is silent with respect to the confidentiality of the book or record. Under this balancing test, the governmental entity is required to determine whether the private or governmental interest served by withholding the book or record clearly outweighs the right of the public to inspect or copy the book or record. (*Donrey v. Bradshaw*, 106 Nev. 630 (1990); *DR Partners v. Board of County Comm'r's*, 116 Nev. 616 (2000); *Reno Newspapers, Inc. v. Haley*, 126 Nev. Adv. Op. 23, 234 P.3d 922 (2010); *Reno Newspapers, Inc. v. Gibbons*, 127 Nev. Adv. Op. 79, 266 P.3d 623 (2011)) The legislative declaration for the Nevada Public Records Act (chapter 239 of NRS) requires that the Act be construed liberally to foster democratic principles by providing the public with access to inspect and copy public books and records and that any restriction on the disclosure of public books and records be construed narrowly. (NRS 239.001) Existing law imposes the burden of proof on a governmental entity that withholds a record to prove, by a preponderance of the evidence, that the record, or a part thereof, is confidential. (NRS 239.0113)

Section 1 of this bill requires the head of each agency, bureau, board, commission, department, division or any other unit of the Executive Department of State Government except the Nevada System of Higher Education to designate one or more employees to act as records **[manager official]** for the agency, whose duties relate to handling requests for public

books or records of the agency. **Section 1** requires the State Library and Archives Administrator, in cooperation with the Attorney General to prescribe: (1) the form for requesting to inspect a copy of a public book or record of such an agency; (2) the form to be used by such an agency to respond to such a request; and (3) the procedures with which a records ~~manager~~ official is required to comply in carrying out his or her duties. **Section 1** also requires each such agency to make those forms and procedures available on any website maintained by the agency on the Internet.

~~[Section] Sections 3 and 3.5~~ of this bill ~~[compiles]~~ compile all the statutory provisions that prohibit the disclosure of or specifically declare public books and records confidential. ~~[Section 3 also codifies the common law balancing test established by the Nevada Supreme Court for a governmental entity to apply to determine whether to disclose a book or record when the law is silent with respect to the confidentiality of the book or record.]~~

~~Under existing law, if a governmental entity denies a request to inspect a public book or record because all or a portion of the book or record is confidential, the governmental entity is required to provide the requester with written notice of that fact and a citation to the legal authority that makes the book or record, or portion thereof, confidential. (NRS 229.0107) Section 4 of this bill revises the contents of the written notice to require, in most circumstances, a general factual description of the withheld public book or record, or portion thereof, and a specific explanation for the denial of the request.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN

2 governmental entity must be open at all times during office hours to inspection by
3 any person, and may be fully copied or an abstract or memorandum may be
4 prepared from those public books and public records. Any such copies, abstracts or
5 memoranda may be used to supply the general public with copies, abstracts or

7 governmental entity or of the general public. This section does not supersede or in
8 any manner affect the federal laws governing copyrights or enlarge, diminish or
9 affect in any other manner the rights of a person in any written book or record
10 which is copyrighted pursuant to federal law.

11 2. A governmental entity may not reject a book or record which is
12 copyrighted solely because it is copyrighted.

15 public book or record on the basis that the requested public book or record contains

18 the public book or record that is not otherwise confidential.

19 4. A person may request a copy of a public record in any medium in which
