AN ACT relating to arbitration; requiring certain agreements that require arbitration of disputes arising under the agreement to include specific authorization for the arbitration; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Section 1 of this bill requires an agreement which includes a provision requiring a person to submit to arbitration any dispute arising between the parties to the agreement to include specific authorization of the provision by the person. Section 1 further provides that an agreement which includes such a provision concerning submitting a dispute to arbitration and which fails to include specific authorization of that provision by the person is void. **Section 1 excludes a collective bargaining agreement from these new provisions.**

Existing law which governs the provisions for arbitration provided by the parties to an agreement is set forth in the Uniform Arbitration Act. (NRS 38.206-38.248) Section 2 of this bill provides an exception to a provision of the Uniform Arbitration Act which governs the validity of an agreement to arbitrate to account for the requirement set forth in section 1.
