1 Existing law provides that an employer is not required to pay compensation for overtime
2 to an employee who works a scheduled 10 hours per day for 4 calendar days within any
3 scheduled week of work. (NRS 608.018) This bill provides that if an employer and employee

9 the 40 hours scheduled because of a decision made by the employer, the employer is required
10 to pay the employee overtime compensation for any day during the workweek in which the
11 employee worked more than 8 hours. Finally, this bill provides that if an employer and
