If the licensing authority determines that the provisions of either Compact apply, the foster care agency may not agree to place the child unless the placement would not violate the provisions of the Compact.

3. A foster care agency shall give priority to assisting with the placement of a child by an agency which provides child welfare services or a juvenile court.

Sec. 25. 1. Each foster care agency shall develop and carry out a written plan to monitor and evaluate the quality and effectiveness of its programs and services on a systemic and ongoing basis.
