**Legislative Counsel's Digest:**

1 Existing law requires each board of county commissioners to adopt an ordinance  
2 regulating and licensing outdoor assemblies, requires certain persons to obtain a license for an  
3 assembly and prohibits certain conduct and activities relating to certain assemblies. (NRS  
4 244.354, 244.3542, 244.3548)  
5 ~~Sections 1 and 2~~ of this bill ~~prohibit, with certain exceptions,~~ **authorizes** a  
6 board of county commissioners ~~from regulating, licensing, or requiring any type of permit or~~  
7 ~~fee for organizing, managing or attending, any assembly, event or activity occurring on certain~~  
8 ~~federal land if a federal agency has issued a license or permit, or otherwise authorized, the~~  
9 ~~assembly, event or activity.~~

~~Sections 2 and 4 of this bill provide, under certain circumstances, that the licensing requirement for certain assemblies and the prohibition on certain conduct and activities relating to assemblies do not apply to any assembly, event or activity occurring on federal land if a federal agency has issued a license or permit, or otherwise authorized, the assembly, event or activity. to enter into an agreement with a person or organization that organizes an outdoor assembly occurring on federal land for which a federal agency issues a license or permit or otherwise authorizes the assembly. The agreement may exempt the assembly, and the person or organization that organizes the assembly, from the provisions of the ordinance adopted by the board regulating and licensing outdoor assemblies and also from the statutory provisions regulating outdoor assemblies. The agreement may be rescinded only by mutual agreement of the parties. For the duration of the agreement, a future board of county commissioners may not require the application of the statutory provisions regulating outdoor assemblies or make any changes to the terms of the agreement. The agreement must contain certain provisions relating to the services of a coroner if a death occurs at the assembly. Also, the parties may enter into a separate agreement for the county to provide reasonable and necessary services for the assembly and to receive compensation for those services.~~

~~Existing law prohibits a board of county commissioners from entering into certain contracts and other transactions beyond the term of office of any member of the board unless the board appropriates money to pay for the duration of the contract. Sections 1 and 1.5 of this bill provide that any agreement entered into pursuant to section 1 is not subject to such limitations.~~

~~Section 1 provides that the provisions thereof shall not be construed to prohibit, prevent or limit the power of the Legislature.~~
