AN ACT relating to vehicles; authorizing a person to apply for a letter of abandonment for an abandoned recreational vehicle under certain circumstances; requiring a municipal solid waste landfill to accept a recreational vehicle for disposal under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth the procedure for disposal of an abandoned vehicle. (NRS 487.205-487.300) **Section 1** of this bill authorizes an owner or occupant of private property who discovers an abandoned recreational vehicle on that property to apply for a letter of abandonment for the recreational vehicle. **Section 1** also sets forth the procedure for obtaining a letter of abandonment for a recreational vehicle. **Section 5** of this bill requires a municipal solid waste landfill to accept a recreational vehicle for disposal if: (1) the person disposing of the recreational vehicle pays any applicable fee and provides the title to the recreational vehicle which indicates that he or she is the owner of the vehicle or has obtained a letter of abandonment from the Department of Motor Vehicles; and (2) accepting the recreational vehicle for disposal does not violate any applicable federal or state law concerning the operation of the municipal solid waste landfill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 487 of NRS is hereby amended by adding thereto a new section to read as follows:

1. In addition to the procedure for disposing of an abandoned vehicle set forth in NRS 487.205 to 487.300, inclusive, if a recreational vehicle is abandoned on private property and is discovered by the owner or occupant of the property, the person who discovers the recreational vehicle may apply for a letter of abandonment for the recreational vehicle. The issuance of a letter of abandonment pursuant to this section divests any other person of any interest in the abandoned recreational vehicle.

2. Before applying for a letter of abandonment, the owner or occupant of the property where the abandoned recreational vehicle is located shall:

(a) If the abandoned recreational vehicle has a serial number, vehicle identification number or registration number or other means of identifying any owner of the abandoned recreational vehicle, obtain the last known address of the owner and notify the owner by registered or certified letter to the last known address of the owner that, if ownership is not claimed and the abandoned recreational vehicle is not removed within 60 days, the owner or occupant of the property where the abandoned recreational vehicle is located will apply for a letter of abandonment. The owner or occupant of the property where the abandoned recreational vehicle is located is not required to send a registered or certified letter if an owner cannot be located or if an address for an owner cannot be ascertained.

(b) Place a notice in a newspaper of general circulation published in the county in which the abandoned recreational vehicle is located, describing the abandoned recreational vehicle and the location where the abandoned recreational vehicle was discovered and providing the serial ~~for~~ number, vehicle identification number or registration number or any other identifying information relating to the abandoned recreational vehicle. The owner or occupant of the property where the abandoned recreational vehicle is located shall state in the notice that, if the abandoned recreational vehicle is not claimed and removed within 60 days after the publication date of the newspaper, the owner or occupant of the property where the abandoned recreational vehicle is located will apply for a letter of abandonment.

3. An owner or occupant of the property where the abandoned recreational vehicle is located may apply to the Department for a letter of abandonment upon the expiration of:

(a) Sixty days after the date on which the owner or occupant of the property where the abandoned recreational vehicle is located mails the registered or certified letter pursuant to paragraph (a) of subsection 2, if such a letter is required; or

(b) Sixty days after the date of publication of the notice required by paragraph (b) of subsection 2,
↳ whichever is later.

4. An application for a letter of abandonment for an abandoned recreational vehicle must contain:

(a) A completed application form prescribed by the Department;

(b) Proof that the letter required by paragraph (a) of subsection 2 was mailed at least 60 days before the submission of the application or a detailed explanation of the unsuccessful steps taken to identify all owners of the abandoned recreational vehicle;

(c) Proof that a notice was printed in a newspaper as required by paragraph (b) of subsection 2 at least 60 days before the submission of the application;

(d) A clear and accurate photograph of the abandoned recreational vehicle; and

(e) The serial number, vehicle identification number or registration number, if any, of the abandoned recreational vehicle.

5. The Department may charge and collect a fee for issuing a letter of abandonment pursuant to this section, which must not exceed the actual cost to the Department of issuing the letter of abandonment.

6. Upon receipt of the materials and information required in subsection 4 and any fees required pursuant to subsection 5, the Department shall enter the
