EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~[omitted material]~~ is material to be omitted.

AN ACT relating to common-interest communities; ~~[requiring associations of planned communities to allow]~~ revising provisions governing the [outdoor] storage of trash and recycling containers ~~[under certain circumstances; requiring the Commission for Common Interest Communities and Condominium Hotels to adopt regulations pertaining to the storage of trash and recycling containers.]~~ in certain planned communities; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 This bill restricts the authority of an association of a planned community to regulate the  
 2 storage of trash and recycling containers on the premises of attached or detached residential  
 3 units with curbside trash and recycling collection. Under **section 1** of this bill, the rules of an  
 4 association governing the storage of trash and recycling containers must ;(1) comply with all  
 5 applicable codes and regulations; and (2) allow the unit’s owner, or a tenant of the unit’s  
 6 owner, to store the containers outside any building or garage on the premises of the  
 7 unit. The rules may : (1) provide that the containers must be [screened] stored in such a  
 8 manner that the containers are [not visible] screened from view from the street [or] a  
 9 sidewalk . ~~[Section 1 also: (1) requires the Commission for Common Interest Communities~~  
 10 ~~and Condominium Hotels to adopt regulations prescribing the specifications and maximum~~  
 11 ~~cost] or any adjacent property; and (2) prescribe the size, location, color and material of~~  
 12 ~~[a screen] any device, structure or item that may be used by a unit’s owner or tenant .~~ ~~[and~~  
 13 ~~(2) provides that a screen used by a unit’s owner or tenant must comply with all applicable~~  
 14 ~~codes and regulations.] to screen the view. Finally, **section 1** allows an association~~  
 15 ~~to adopt rules that reasonably restrict the conditions under which trash and recycling~~  
 16 ~~containers are placed for collection, including, without limitation, the area in which the~~  
 17 ~~containers may be placed and the length of time for which the containers may be kept in that~~  
 18 ~~area.~~

19 **Section 2** of this bill provides that the restrictions on the authority of an association of a  
 20 planned community to regulate trash and recycling containers are applicable only to  
 21 associations containing more than six units.
