The Title of Assembly Bill No. 58 is hereby amended as follows:

AN ACT relating to veterans; making the Office of Veterans Services the Department of Veterans Services; creating the Office of Veterans Policy and Coordination in the Office of the Governor; creating the Interagency Council on Veterans Affairs; revising provisions relating to donations for veterans homes; *|providing exceptions to provisions governing public works and lease purchase agreements with respect to certain projects of the Department of Veterans Services;| requiring the Division of State Parks of the State Department of Conservation and Natural Resources to issue annual permits for the free use of state parks and other recreational areas to certain veterans; and providing other matters properly relating thereto.

If this amendment is adopted, the Legislative Counsel's Digest will be changed as follows:

Legislative Counsel's Digest:

Under existing law, the Office of Veterans Services has various duties and powers relating to veterans and servicemen and servicewomen and their dependents in Nevada, including assisting them with obtaining benefits to which they are entitled and any services that they require and providing administrative oversight of veterans homes and veterans cemeteries in Nevada. (Chapter 417 of NRS) Section 14 of this bill changes the Office to the Department of Veterans Services, a state department. Accordingly, the Executive Director and Deputy Executive Director of the Office become the Director and Deputy Director of the Department, respectively. The Nevada Veterans Services Commission will now advise the Department instead of the Office. (NRS 417.190) Sections 1-7, 13, 15-33, 45 and 48-50 of this bill make conforming changes.

Sections 8 and 9 of this bill create the Office of Veterans Policy and Coordination in the Office of the Governor. This Office is headed by an Executive Director who is in the nonclassified service. The Office of Veterans Policy and Coordination is charged with developing policies, initiatives and strategies concerning services provided to veterans and servicemen and servicewomen and their families and coordinating those services.

In 2012, the Governor established by executive order the Interagency Council on Veterans Affairs. (Executive Order 2012-15 (7-3-2012)) The Council was charged with identifying and prioritizing the needs of Nevada's veterans, working toward increasing the coordination of the efforts of public and private agencies to meet those needs and preparing a report of its findings and recommendations by December 31, 2013, for submission to the Governor. Section 10 of this bill creates the Council in statute H and prescribes its membership, which includes ex officio members and members appointed by the Governor. Section 11 of this bill provides that the Executive Director of the Office of Veterans Policy and Coordination serves as the Chair of the Council and the Governor appoints the other members. Section 11 also requires the Council to hold meetings at least once every 3 months. Section 12 of this bill prescribes issues for the Council to study and requires the Council to submit a report of its findings and recommendations to each regular session of the Legislature.

The Gift Account for Veterans Homes is established under existing law to receive gifts of money or personal property which a donor has restricted to one or more uses at a veterans home. (NRS 417.145) As a result of the authorization of the creation of a veterans home in northern Nevada in **section 55** of this bill, **section 23** of this bill changes the existing Gift Account for Veterans Homes to the Gift Account for the Veterans Home in Southern Nevada to be used for the deposit of gifts which donors have restricted to use at that home. **Section 23** also creates the Gift Account for the Veterans Home in Northern Nevada to be used for the deposit of gifts which donors have restricted to use at this new veterans home. **Sections 37-44** and 47 of this bill make conforming changes.
