AN ACT relating to criminal justice; revising provisions concerning the delivery of copies of reports of presentence investigations and certain judgments of conviction; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that when a court imposes a sentence of imprisonment in the state prison or revokes a program of probation and orders a sentence of imprisonment to the state prison to be executed, the court is required to cause a copy of any report of a presentence investigation to be delivered to the Director of the Department of Corrections when the judgment of imprisonment is delivered by the sheriff to an authorized person designated by the Director to receive the prisoner from the county where the prisoner is held for commitment. (NRS 176.159, 176.335) **Section 1** of this bill revises this requirement and specifies that such a report must be delivered not later than when the judgment of imprisonment is delivered. **Section 1** further specifies that, at the court's discretion, the report may also be delivered by electronic transmission or by affording the Department the required electronic access to retrieve the report.

Existing law also provides that when a judgment of imprisonment to be served in the state prison has been pronounced, triplicate certified copies of the judgment of conviction, attested by the clerk under the seal of the court, must be furnished to the officers whose duty it is to execute the judgment. (NRS 176.325) **Section 2** of this bill specifies that such certified copies of the judgment of conviction may be in paper or electronic form.
