AN ACT relating to gaming; revising the definition of “resort hotel”; revising provisions relating to the Gaming Policy Committee; making appropriations; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law generally provides that the Nevada Gaming Commission is prohibited from approving a nonrestricted license for an establishment in a county whose population is 100,000 or more (currently Clark and Washoe Counties) unless the establishment is a resort hotel. (NRS 463.1605) Existing law defines “resort hotel” as any building or group of buildings that is maintained as and held out to the public to be a hotel where sleeping accommodations are furnished to the transient public and that has: (1) more than 200 rooms available for sleeping accommodations; (2) at least one bar with permanent seating capacity for more than 30 patrons that serves alcoholic beverages sold by the drink for consumption on the premises; (3) at least one restaurant with permanent seating capacity for more than 60 patrons that is open to the public 24 hours each day and 7 days each week; and (4) a gaming area within the building or group of buildings. (NRS 463.01865) Section 1 of this bill revises the definition of “resort hotel” to provide that in a county whose population is 100,000 or more but less than 700,000 (currently Washoe County), an establishment must have more than 300 rooms available for sleeping accommodations. Under section 3.5 of this bill, the revised definition of “resort hotel” does not apply to an establishment that holds a nonrestricted license on July 1, 2013, unless the establishment ceases gaming operations for 24 or more consecutive months.

Existing law establishes the Gaming Policy Committee and provides for the composition and duties of the Committee. (NRS 463.021) Section ~~4~~ 1.5 of this bill: (1) adds to the Committee a representative of academia who possesses knowledge of matters related to gaming; (2) authorizes the Governor, as Chair of the Committee, to appoint an advisory committee on gaming education; and (3) specifies the duties of the advisory committee.

Sections 2 and 3 of this bill make appropriations to the State Gaming Control Board and the Nevada Gaming Commission for various travel, staffing and operating costs.
