AN ACT relating to domestic relations; requiring the Health Division of the  
Department of Health and Human Services to establish a Registry of  
Putative Fathers; providing for a summary petition for termination of  
parental rights in certain circumstances; revising various provisions  
governing the termination of parental rights and adoption of children of  
putative fathers; providing a penalty; and providing other matters  
properly relating thereto.

**Legislative Counsel's Digest:**

**Section 5** of this bill requires the Health Division of the Department of Health and  
Human Services to establish a Registry of Putative Fathers. A person who registers in the  
Registry is entitled to receive notice of a proceeding which is commenced in this State for the  
adoption of, or termination of parental rights regarding, a child. **Section 5** further requires the  
Health Division to establish and maintain a statewide campaign to ensure that the public is  
aware of the existence and purpose of the Registry. **Section 6** of this bill requires a putative  
father who wishes to receive notice of a proceeding for the adoption of, or termination of  
parental rights regarding, a child to register with the Registry by submitting a form within a  
certain period. **Section 6.5** of this bill provides that a putative father who fails to register with,  
or who withdraws his registration from, the Registry: (1) waives his right to receive notice of  
such proceedings; (2) is not a parent whose consent must be obtained before the child may be  
adopted; and (3) may not allege in any such proceedings that his failure to register with the  
Registry is excused because he did not have notice of the pregnancy. Existing law defines the  
term "putative father," for purposes of provisions relating to the termination of parental rights,  
as any person who is or who is alleged to be the father of an illegitimate child. (NRS 128.016)  
**Section 14** of this bill revises that definition by adding that the term "putative father" also  
includes a person who is not the presumed father, has not acknowledged paternity and has not

18 been determined to be the legal father of the child. Therefore, any of those possible fathers  
19 may register with the Registry and are also included within other provisions relating to the  
20 termination of parental rights.

21 **Section 7** of this bill allows a registrant in the Registry to withdraw his registration but  
22 provides that once withdrawn, the person may not submit another registration form for the  
23 same child. **Section 8** of this bill provides that information contained in the Registry is  
24 confidential, except that information contained in the Registry may be provided to the persons  
25 and entities expressly authorized by **section 8** to request and receive information from the  
26 Registry. **Section 8** further provides for notification to the requesting person or entity  
27 regarding whether a registration exists in the Registry and, if so, further provides for  
28 notification to the registrant. Under **section 8**, a person or entity who intentionally releases  
29 information from the Registry to a person or entity who is not authorized to receive such  
30 information is guilty of a misdemeanor.

31 **Section 9** of this bill requires the Health Division to develop the form to be used to  
32 register with the Registry. **Section 10** of this bill requires the State Board of Health to adopt  
33 regulations to carry out the provisions relating to the establishment of the Registry and to  
34 establish certain fees relating to searching the Registry. **Section 10** specifically prohibits,  
35 however, the imposition of a fee to register with, or withdraw a registration from, the  
36 Registry.

37 If a child has been relinquished for adoption or is proposed to be relinquished for  
38 adoption, existing law provides a specific procedure to be followed. If the father has not  
39 consented to the adoption or is not known, the mother must petition the court to have the  
40 parental rights of the father terminated, and the court must make certain inquiries to identify  
41 and protect the interests of the natural father. If any possible father is identified, he must be  
42 provided notice. If no possible father is identified, existing law requires the court to enter an  
43 order terminating the parental rights of the unknown father. The possible father then has 6  
44 months thereafter in which to appeal the termination of parental rights for lack of notice. After  
45 6 months, the order may not be questioned by any person in any manner or upon any ground.  
46 (NRS 128.150)

47 **Section 12** of this bill provides a different and expedited procedure to terminate the  
48 parental rights of a father when the mother of a child relinquishes or proposes to relinquish a  
49 child for adoption when no legal relationship has been established between the child and the  
50 father, the father cannot be identified or the child otherwise becomes the subject of an  
51 adoption proceeding. In such a case, **section 12** authorizes the Attorney General or a district  
52 attorney authorized to file a petition to terminate parental rights, the agency or person to  
53 whom the child has been or is to be relinquished, or the mother or person who has custody of  
54 the child, to file a summary petition for termination of parental rights in certain circumstances.  
55 The summary petition allows the court to consider certain information and make a  
56 determination regarding whether to terminate parental rights without a hearing. **Section 23** of  
57 this bill further clarifies that the summary petition may not be used if there is a presumed  
58 father, a father whose relationship to the child has been judicially determined or a father as to  
59 whom the child is a legitimate child under the prior law of this State or under the law of  
60 another state, and removes the provisions which provide the current procedure for addressing  
61 termination in the situations covered by **section 12**. (NRS 128.150)

62 When a summary petition is filed, **sections 15-20** of this bill provide that the procedures  
63 otherwise required to be followed when relinquishment of a child for adoption is sought,  
64 including publication of notice, the manner of serving notice, provision of 6 months in which  
65 to appeal an adoption and other procedural requirements, do not apply. Instead, **section 12**  
66 provides a different procedure. Before filing the summary petition, the petitioner is required to  
67 request a search of the Registry of Putative Fathers and then to send notice of the filing of a  
68 summary petition to any putative father who is identified. Such notice must inform the  
69 putative father that he has 30 days in which to appear before the court or to notify the court  
70 that he has attempted to establish parentage of the child or the court may terminate his  
71 parental rights. In addition to searching the Registry, **section 12** requires the petitioner to  
72 exercise due diligence to find any other putative father who is known to the petitioner. If a  
73 putative father is found, he must be notified of his right to register with the Registry and that  
74 the failure to register will result in the termination of his parental rights. **Section 12** allows a  
75 certain period for a putative father to respond before the petition may be decided and further  
76 provides that the petition may not be decided sooner than 35 days after the birth of the child.

Existing law specifies the manner in which a court issues an order to terminate parental rights and provides that such an order is conclusive and binding. **Sections 21 and 22** of this bill make those provisions applicable when a court grants a summary petition for termination of parental rights pursuant to **section 12**.

52 out of the State, has departed from the State, or cannot, after due diligence, be  
53 found within the State, or conceals himself or herself to avoid the service of the

notice of hearing, and the fact appears, by affidavit, to the satisfaction of the court thereof, and it appears, either by affidavit or by a verified petition on file, that the named father or mother or custodian or guardian is a necessary or proper party to the proceedings, the court may grant an order that the service be made by the publication of the notice of hearing. When the affidavit is based on the fact that the father or mother or custodian or guardian resides out of the State, and his or her present address is unknown, it is a sufficient showing of that fact if the affiant states generally in the affidavit that:

(a) At a previous time the person resided out of this State in a certain place (naming the place and stating the latest date known to the affiant when the person so resided there);

(b) That place is the last place in which the person resided to the knowledge of the affiant;

(c) The person no longer resides at that place;

(d) The affiant does not know the present place of residence of the person or where the person can be found; and

(e) The affiant does not know and has never been informed and has no reason to believe that the person now resides in this State.

➤ In such case, it shall be presumed that the person still resides and remains out of the State, and the affidavit shall be deemed to be a sufficient showing of due diligence to find the father or mother or custodian or guardian.

2. The order must direct the publication to be made in a newspaper, to be designated by the court, for a period of 4 weeks, and at least once a week during that time. In case of publication, where the residence of a nonresident or absent father or mother or custodian or guardian is known, the court shall also direct a copy of the notice of hearing and petition to be deposited in the post office, directed to the person to be served at his or her place of residence. When publication is ordered, personal service of a copy of the notice of hearing and petition, out of the State, is equivalent to completed service by publication and deposit in the post office, and the person so served has 20 days after the service to appear and answer or otherwise plead. The service of the notice of hearing shall be deemed complete in cases of publication at the expiration of 4 weeks from the first publication, and in cases when a deposit of a copy of the notice of hearing and petition in the post office is also required, at the expiration of 4 weeks from the deposit.

3. Personal service outside the State upon a father or mother over the age of 18 years or upon the minor's legal custodian or guardian may be made in any action where the person served is a resident of this State. When the facts appear, by affidavit, to the satisfaction of the court, and it appears, either by affidavit or by a verified petition on file, that the person in respect to whom the service is to be made is a necessary or proper party to the proceedings, the court may grant an order that the service be made by personal service outside the State. The service must be made by delivering a copy of the notice of hearing together with a copy of the petition in person to the person served. The methods of service are cumulative, and may be utilized with, after or independently of other methods of service.

4. Whenever personal service cannot be made, the court may require, before ordering service by publication or by publication and mailing, such further and additional search to determine the whereabouts of the person to be served as may be warranted by the facts stated in the affidavit of the petitioner to the end that actual notice be given whenever possible.

5. If one or both of the parents of the minor is unknown, or if the name of either or both of the parents of the minor is uncertain, then those facts must be set forth in the affidavit and the court shall order the notice to be directed and addressed to either the father or the mother of the person, and to all persons

claiming to be the father or mother of the person. The notice, after the caption, must be addressed substantially as follows: "To the father and mother of the above-named person, and to all persons claiming to be the father or mother of that person."

**6. The provisions of this section do not apply to a summary petition for termination of parental rights pursuant to section 12 of this act.**

**Sec. 18.** NRS 128.080 is hereby amended to read as follows:

128.080 The notice **required pursuant to NRS 128.060 and 128.070** must be in substantially the following form:

**Sec. 19.** NRS 128.085 is hereby amended to read as follows:

128.085 ~~When~~ **Except as otherwise provided in section 12 of this act:**

**1. If** the mother of an unborn child files a petition for termination of the father's parental rights, the father or putative father, if known, ~~shall~~ **must** be served with notice of the hearing in the manner provided for in NRS 128.060, 128.070 and 128.080.

**2.** The hearing ~~shall~~ **must** not be held until the birth of the child or 6 months after the filing of the petition, whichever is later.

**Sec. 20.** NRS 128.090 is hereby amended to read as follows:

128.090 **1. ~~At~~ Except in the case of a summary petition for termination of parental rights filed pursuant to section 12 of this act, at** the time stated in the notice, or at the earliest time thereafter to which the hearing may be postponed, the court shall proceed to hear the petition.

2. The proceedings are civil in nature and are governed by the Nevada Rules of Civil Procedure. The court shall in all cases require the petitioner to establish the facts by clear and convincing evidence and shall give full and careful consideration to all of the evidence presented, with regard to the rights and claims of the parent of the child and to any and all ties of blood or affection, but with a dominant purpose of serving the best interests of the child.

3. Information contained in a report filed pursuant to NRS 432.0999 to 432.130, inclusive, or chapter 432B of NRS may not be excluded from the proceeding by the invoking of any privilege.

4. In the event of postponement, all persons served, who are not present or represented in court at the time of the postponement, must be notified thereof in the manner provided by the Nevada Rules of Civil Procedure.

5. Any hearing held pursuant to this section must be held in closed court without admittance of any person other than those necessary to the action or proceeding, unless the court determines that holding such a hearing in open court will not be detrimental to the child.

**Sec. 21.** NRS 128.110 is hereby amended to read as follows:

128.110 1. Whenever the ~~procedure~~ *procedures* described in this chapter ~~has~~ *have* been followed, and upon finding grounds for the termination of parental rights pursuant to NRS 128.105 at a hearing upon the petition ~~or without a hearing in the case of a summary petition for termination of parental rights filed pursuant to section 12 of this act~~, the court shall make a written order, signed by the judge presiding in the court, judicially depriving the parent or parents of the custody and control of, and terminating the parental rights of the parent or parents with respect to the child, and declaring the child to be free from such custody or control, and placing the custody and control of the child in some person or agency qualified by the laws of this State to provide services and care to children, or to receive any children for placement. The termination of parental rights pursuant to this section *or section 12 of this act* does not terminate the right of the child to inherit from his or her parent or parents, except that the right to inherit terminates if the child is adopted as provided in NRS 127.160.

2. If the child is placed in the custody and control of a person or agency qualified by the laws of this State to receive children for placement, the person or agency, in seeking to place the child:

(a) May give preference to the placement of the child with any person related within the fifth degree of consanguinity to the child whom the person or agency finds suitable and able to provide proper care and guidance for the child, regardless of whether the relative resides within this State.

(b) Shall, if practicable, give preference to the placement of the child together with his or her siblings.

➤ Any search for a relative with whom to place a child pursuant to this subsection must be completed within 1 year after the initial placement of the child outside of his or her home.

**Sec. 22.** NRS 128.120 is hereby amended to read as follows:

128.120 Any order made and entered by the court under the provisions of NRS 128.110 *or section 12 of this act* is conclusive and binding upon the person declared to be free from the custody and control of his or her parent or parents, and upon all other persons who have been served with notice by publication or otherwise, as provided by this chapter. After the making of the order, except as otherwise provided in NRS 128.190, the court has no power to set aside, change or modify it, but nothing in this chapter impairs the right of appeal.

1       **Sec. 23.** NRS 128.150 is hereby amended to read as follows:

2       128.150 1. If a mother relinquishes or proposes to relinquish for adoption a  
3 child who has:

4       (a) A presumed father pursuant to NRS 126.051;

5       (b) A father whose relationship to the child has been determined by a court; or

6       (c) A father as to whom the child is a legitimate child under chapter 126 of  
7 NRS, under prior law of this State or under the law of another jurisdiction,

8       ➤ and the father has not consented to the adoption of the child or relinquished the  
9 child for adoption, a proceeding must be brought pursuant to this chapter and a  
10 determination made of whether a parent and child relationship exists and, if so, if it  
11 should be terminated. *Such a determination may not be made in the manner set  
12 forth in section 12 of this act.*

13       2. ~~If a mother relinquishes or proposes to relinquish for adoption a child who  
14 does not have:~~

15       ~~—(a) A presumed father pursuant to NRS 126.051;~~

16       ~~—(b) A father whose relationship to the child has been determined by a court;~~

17       ~~—(c) A father as to whom the child is a legitimate child under chapter 126 of  
18 NRS, under prior law of this State or under the law of another jurisdiction; or~~

19       ~~—(d) A father who can be identified in any other way;~~

20       ~~➤ or if a child otherwise becomes the subject of an adoption proceeding, the  
21 agency or person to whom the child has been or is to be relinquished, or the mother  
22 or the person having custody of the child, shall file a petition in the district court to  
23 terminate the parental rights of the father, unless the father's relationship to the  
24 child has been previously terminated or determined not to exist by a court.~~

25       ~~3. In an effort to identify and protect the interests of the natural father, the  
26 court which is conducting a proceeding pursuant to this chapter shall cause inquiry  
27 to be made of the mother and any other appropriate person. The inquiry must  
28 include the following:~~

29       ~~—(a) Whether the mother was married at the time of conception of the child or at  
30 any time thereafter.~~

31       ~~—(b) Whether the mother was cohabiting with a man at the time of conception or  
32 birth of the child.~~

33       ~~—(c) Whether the mother has received support payments or promises of support  
34 with respect to the child or in connection with her pregnancy.~~

35       ~~—(d) Whether any man has formally or informally acknowledged or declared his  
36 possible paternity of the child.~~

37       ~~4. If, after the inquiry, the natural father is identified to the satisfaction of the  
38 court, or if more than one man is identified as a possible father, each must be given  
39 notice of the proceeding in accordance with subsection 6 or with this chapter, as  
40 applicable. If any of them fails to appear or, if appearing, fails to claim custodial  
41 rights, such failure constitutes abandonment of the child. If the natural father or a  
42 man representing himself to be the natural father, claims custodial rights, the court  
43 shall proceed to determine custodial rights.~~

44       ~~5. If, after the inquiry, the court is unable to identify the natural father or any  
45 possible natural father and no person has appeared claiming to be the natural father  
46 and claiming custodial rights, the court shall enter an order terminating the  
47 unknown natural father's parental rights with reference to the child. Subject to the  
48 disposition of any appeal, upon the expiration of 6 months after an order  
49 terminating parental rights is issued under this subsection, or this chapter, the order  
50 cannot be questioned by any person in any manner or upon any ground, including  
51 fraud, misrepresentation, failure to give any required notice or lack of jurisdiction  
52 of the parties or of the subject matter.~~

~~6. Notice~~ Except in the case of a summary petition for termination of parental rights filed pursuant to section 12 of this act, notice of the proceeding must be given to every person identified as the natural father or a ~~possible~~ person presumed to be the natural father in the manner provided by law and the Nevada Rules of Civil Procedure for the service of process in a civil action, or in any manner the court directs. Proof of giving the notice must be filed with the court before the petition is heard.
