S.B. No. 167—Enacts provisions for the designation of certain hospitals as heart attack receiving centers or heart attack referring centers.
(BDR 40-229)

SENATE BILL NO. 167—SENATORS CEGAVSKE AND JONES

FEBRUARY 19, 2013

Referred to Committee on Health and Human Services

SUMMARY—Enacts provisions for the designation of certain hospitals as ~~heart attack~~ STEMI receiving centers ~~for heart attack referring centers~~ (BDR 40-229)

FISCAL NOTE: Effect on Local Government: No.
Effect on the State: No.

~

EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets ~~is omitted material~~ is material to be omitted.

AN ACT relating to public health; enacting provisions for the designation of certain hospitals as ~~heart attack~~ STEMI receiving centers ~~for heart attack referring centers~~; authorizing the State Board of Health to adopt regulations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 The American Heart Association defines an ST-Elevation Myocardial Infarction (STEMI)
2 as a severe type of heart attack that is caused by a prolonged period of blocked blood supply
3 which affects a large area of the heart and which carries a substantial risk of death and
4 disability. This bill establishes provisions for the Health Division of the Department of Health
5 and Human Services to acknowledge and prepare a list of hospitals that are designated as
6 ~~either heart attack~~ STEMI receiving centers ~~for heart attack referring centers~~ for meeting
7 the high standards of performance in STEMI care. This bill also authorizes the State Board of
8 Health to adopt regulations relating to such designations. This bill further provides that a
9 licensed hospital which is not designated as a ~~heart attack~~ STEMI receiving ~~for referring~~
10 center may not advertise that the hospital is a ~~heart attack~~ STEMI receiving ~~for referring~~
11 center. This bill does not prohibit any hospital from providing care to a victim of a heart
12 attack, even if the hospital does not receive such a designation.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 449 of NRS is hereby amended by adding thereto a new
2 section to read as follows:

3 ***1. A hospital licensed pursuant to NRS 449.030 to 449.240, inclusive, may
4 submit to the Health Division proof that the hospital is accredited as a heart
5 attack*** STEMI receiving center ~~for a heart attack referring center~~. Upon
6 receiving proof that a hospital is accredited as a ~~heart attack~~ STEMI receiving
7 center ~~for a heart attack referring center~~, the Health Division shall include the
8 hospital on the list established pursuant to subsection 2.

1 2. On or before July 1 of each year, the Health Division shall post a list of
2 all hospitals designated as ~~heart attack~~ STEMI receiving centers ~~for heart~~
3 ~~attack referring centers~~ on an Internet website maintained by the Health
4 Division.

5 3. If a hospital wishes to be included as a ~~heart attack~~ STEMI receiving
6 center ~~for heart attack referring center~~ on the list established pursuant to
7 subsection 2, the hospital must annually resubmit the proof required pursuant to
8 this section.

9 4. The Health Division may remove a hospital from the list established
10 pursuant to subsection 2 if the accreditation recognizing the hospital as a ~~heart~~
11 ~~attack~~ STEMI receiving center ~~for heart attack referring center~~ is suspended or
12 revoked.

13 5. A hospital that is not included on the list established pursuant to
14 subsection 2 shall not represent, advertise or imply that the hospital is designated
15 as a ~~heart attack~~ STEMI receiving center ~~for heart attack referring center~~.

16 6. The provisions of this section do not prohibit a hospital that is licensed
17 pursuant to NRS 449.030 to 449.240, inclusive, from providing care to a victim of
18 a heart attack if the hospital does not have a designation as a ~~heart attack~~
19 STEMI receiving center ~~for heart attack referring center~~.

20 7. The Board may adopt regulations to carry out the provisions of this
21 section and to designate hospitals with accreditations similar to those required for
22 designation as a ~~heart attack~~ STEMI receiving center ~~for heart attack~~ ~~referring center~~.

23 8. As used in this section:

24 (a) ~~“Heart attack” “STEMI” means a myocardial infarction as indicated by~~
25 ~~an abnormal elevation of the ST segment of an electrocardiogram that is~~
26 ~~administered to a patient.~~

27 (b) ~~“STEMI receiving center” means a hospital that is accredited by the~~
28 ~~Society of Cardiovascular Patient Care, in conjunction with the initiative~~
29 ~~developed by the American Heart Association known as the “Mission: Lifeline~~
30 ~~initiative,” or an equivalent organization approved by the Health Division, as~~
31 ~~having met specific standards of performance in the receipt and treatment of a~~
32 ~~patient with STEMI.~~

33 ~~(b) “Heart attack referring center” means a hospital that is accredited by the~~
34 ~~Society of Cardiovascular Patient Care, in conjunction with the initiative~~
35 ~~specified in paragraph (a), or an equivalent organization approved by the Health~~
36 ~~Division, as having met specific standards of performance in the prompt~~
37 ~~diagnosis and transfer of a patient with STEMI.~~

38 ~~(c) “STEMI” means an elevated myocardial infarction as indicated by any~~
39 ~~electrographic abnormality in the ST segment of an electrocardiogram which is~~
40 ~~administered to a patient.~~

41 Sec. 2. This act becomes effective on January 1, 2014.
