EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets ~~is omitted material~~ is material to be omitted.

---

AN ACT relating to public safety; ~~enhancing the penalty for certain traffic violations which occur in school zones or school crossing zones; authorizing certain governing bodies and the Department of Transportation to designate pedestrian safety zones in certain circumstances; providing for enhanced penalties for certain traffic violations in pedestrian safety zones; revising provisions relating to pedestrians and crosswalks; providing a penalty; traffic safety; and providing other matters properly relating thereto.~~

1 Legislative Counsel's Digest:  
2 Under existing law, ~~a driver who is convicted of a violation of a speed limit or of certain~~  
3 ~~other traffic violations is subject to a doubling of the penalty if the violation occurs in a~~  
4 ~~highway construction zone when workers are present. (NRS 484B.130)~~ Existing law also  
5 ~~provides that certain maximum speeds are in effect in school zones and school crossing zones~~  
6 ~~at certain times. (NRS 484B.363)~~ Sections 2 and 24 of this bill provide that a driver is subject  
7 ~~to a doubling of the penalty for a violation of a speed limit or of certain other traffic violations~~  
8 ~~if the violation occurs in a school zone or a school crossing zone at a time when the statutory~~  
9 ~~speed limits for such zones are in effect. Section 24 also makes it unlawful for a driver to~~  
10 ~~make a U turn or pass another vehicle in a school zone or a school crossing zone when the~~  
11 ~~school speed limit is in effect. Finally, section 24 requires that the sign posted to mark the~~  
12 ~~beginning of each school zone and school crossing zone newly include a designation that fines~~  
13 ~~may be higher when the speed limit is in effect.)~~ **the Department of Transportation is**  
14 **required to develop an educational program concerning bicycle and pedestrian safety.**  
15 **The program must be designed to inform bicyclists and pedestrians of applicable traffic**  
16 **laws and encourage observance of those laws, and to promote bicycle and pedestrian**  
17 **safety. (NRS 408.571)**

18 Section 1 of this bill ~~authorizes the governing body of a local government or the~~  
19 ~~Department of Transportation to designate pedestrian safety zones on a highway if certain~~  
20 ~~findings are made. Section 1 also provides that a person who is convicted of a violation of a~~  
21 ~~speed limit or of certain other violations is subject to a doubling of the penalty if the violation~~  
22 ~~occurs in a pedestrian safety zone. Sections 2, 12, 17, 18, 20, 22, 25, 28 and 30, 32 of this bill~~  
23 ~~make conforming changes to indicate the possibility of the enhanced penalty.~~

23 Existing law requires the driver of a vehicle to yield the right of way to a pedestrian in a  
24 crosswalk under certain circumstances when the pedestrian is on the half of the highway upon  
25 which the vehicle is traveling, and when a pedestrian is lawfully in a crosswalk or intersection  
26 that is controlled by traffic lights. (NRS 484B.283, 484B.307) Section 15 of this bill requires a  
27 driver to stop for such a pedestrian, specifies that the requirement applies to both marked and  
28 unmarked crosswalks, expands the requirement to when a pedestrian is within one lane of the  
29 half of the highway upon which the vehicle is traveling, and defines the term "half of the  
30 highway" to mean the entire width of all the traffic lanes which convey traffic in the same  
31 direction, including any paved shoulder. Section 19 of this bill requires a driver to stop for a  
32 pedestrian who is lawfully in a crosswalk or an intersection that is controlled by traffic lights.

33 Existing law requires a pedestrian to yield the right of way to vehicles when the  
34 pedestrian is crossing a highway outside of a marked or unmarked crosswalk, and when  
35 crossing a highway at a point where a pedestrian tunnel or overhead pedestrian crossing has  
36 been provided. Existing law also prohibits a pedestrian from crossing a highway outside of a  
37 marked crosswalk when the pedestrian is between adjacent intersections at which traffic  
38 control devices are in operation. (NRS 484B.287) Section 16 of this bill eliminates the  
39 requirement for a pedestrian to yield the right of way to vehicles when crossing where a  
40 pedestrian tunnel or overhead pedestrian crossing has been provided. Section 16 also requires  
41 a pedestrian to cross a highway at a right angle to the edge of the highway or, when a right  
42 angle is not possible or practicable, by the shortest route to the opposite side.  
requires any  
such program to also inform the traveling public of applicable traffic laws and  
encourage observance of those laws, and to promote traffic safety in school zones.
