Section 5 of this bill revises the costs and fees that certain debtors must pay for the collection of a debt owed to the State. **Section 6** of this bill provides that if the State Controller sells a debt after the statutory period for the collection of the debt has expired, the money received must be deposited in the Debt Recovery Account in the State General Fund. **Sections 7 and 8** of this bill establish a process by which an agency may submit a written request to the Interim Finance Committee to contest the determination of the State Controller to deposit certain money collected by the State Controller in the Debt Recovery Account. **Section 9** of this bill requires the State Controller to establish by regulation a fee that must be paid to the State Controller by certain payees that refuse to accept electronic payment of an account payable.

~~Existing law provides for the establishment of the Public Employees' Benefits Program and for group health insurance to be offered under the Program. (NRS 287.042) Section 10 of this bill requires a licensed administrator that contracts with the Board of the Program to process or pay claims of vendors or providers relating to such group health insurance to ensure that each such vendor or provider is properly licensed or otherwise legally authorized to do business, and authorizes the Board to impose administrative fines for violations.~~

~~Existing law requires the Director of the Department of Health and Human Services to adopt a State Plan for Medicaid and requires the Administrator of the Division of Health Care Financing and Policy of the Department to administer the State Plan for Medicaid subject to administrative supervision by the Director. (NRS 422.271, 422.301) Existing federal law governing Medicaid defines a fiscal agent as a "contractor that processes or pays vendor claims on behalf of the Medicaid agency." (42 C.F.R. § 455.101) Section 12 of this bill requires a fiscal agent that contracts with the Division to process or pay claims of vendors or providers under the State Plan for Medicaid to ensure that each such vendor or provider is properly licensed or otherwise legally authorized to do business, and authorizes the Division to impose administrative fines for violations.~~

Section 8.3 of this bill removes certain duties of the Chief of the Administrative Division of the Legislative Counsel Bureau, as ex officio Legislative Fiscal Officer, concerning the payment of the salaries and wages of each Legislator, employee of the Legislature and employee of the Legislative Counsel Bureau.
