Legislative Counsel's Digest:

1 Section 3 of this bill requires each state agency, as soon as reasonably practicable, but not later than **January 14, June 30, 2015**, to make available on an Internet website maintained by the state agency an electronic version of each administrative form of the state agency in a format which allows the form to be completed, downloaded and saved electronically and submitted securely to the state agency via the Internet. Section 3 further authorizes a state agency to : (1) utilize **, in a manner determined appropriate by the state agency,** any program, software or technology to comply with that requirement **;** (2) collaborate with **other state agencies to comply with that requirement;** and (3) comply with that requirement in phases or separate portions over time. Section 4 of this bill authorizes a state agency, upon receiving a written request from any other state agency, to provide the requesting state agency with a copy of any record maintained by the state agency other than a record which is declared by law to be confidential or which the state agency determines must be kept confidential.
