AN ACT relating to indigent persons; ~~providing the maximum amount that a county may be required to pay, revising provisions relating to payments by certain smaller counties~~ for certain medical assistance to indigent persons; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Under existing law, the board of county commissioners of each county is required to establish a tax rate of at least 6 cents and not more than 10 cents on each \$100 of assessed valuation for deposit into a fund for medical assistance to indigent persons. Existing law designates the equivalent of 1 cent of the amount collected to be credited to the Supplemental Account for Medical Assistance to Indigent Persons. (NRS 428.275, 428.285) This bill requires ~~each~~ a board of county commissioners in a county whose population is less than 100,000 (currently all counties other than Clark County and Washoe County) to remit money ~~from its fund for medical assistance to indigent persons~~ to the State Controller in an amount determined by the Director of the Department of Health and Human Services to be adequate to include in the State Plan for Medicaid the payment of the nonfederal share of certain expenditures relating to long-term care. In addition, this bill limits the amount that such counties may be required to remit to not more than the equivalent of the amount collected from 8 cents on each \$100 of assessed valuation of all taxable property in the county.
