AN ACT relating to taxicabs; revising provisions relating to the authority of the Taxicab Authority to regulate the color scheme, insigne and design of the cruising lights of certain taxicabs; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Under existing law, a person must be a holder of a certificate of public convenience and necessity to operate a taxicab business. (NRS 706.386, 706.473, 706.8827) In counties whose population is less than 700,000 (currently all counties other than Clark County), the certificates are issued by the Nevada Transportation Authority, and in counties whose population is 700,000 or more (currently Clark County), the certificates are issued by the Taxicab Authority. (NRS 706.386, 706.881, 706.8827) Existing law requires the Taxicab Authority to: (1) approve or disapprove the color scheme, insigne and design of the cruising lights of taxicabs of a certificate holder in any county; and (2) ensure that the color scheme, insigne and design of the cruising lights of one certificate holder are readily distinguishable from those of another certificate holder operating in the same county. (NRS 706.8833, NAC 706.486) Existing law also requires that certain information about a taxicab's fare schedule **and the name of the certificate holder** be displayed on each taxicab. (NRS 706.8835) ~~This bill eliminates the requirement that the Taxicab Authority approve or disapprove the color scheme on the taxicabs of a particular certificate holder.~~ This bill ~~also~~ requires the Taxicab Authority to allow a certificate holder in any county to place advertisements on the exterior of the certificate holder's taxicabs, provided that the taxicabs bearing the advertisements are readily distinguishable from the taxicabs of other certificate holders operating in the same county **through the display of the name of the certificate holder on each side of each taxicab**, and that the taxicabs still display the fare schedule as required.
